MEDITATIONS FROM -- THE EDITOR'S DESK

PENSIONS ASSURED

According to the speech from the Throne a bill will be brought to the attention of the House of Commons shortly to provide for pensions for the Blind at a lower age than Seventy years.

Since this bill was mentioned in the speech from the Throne it can be assumed that the passing of such legislation has become an accepted part of the Government's policy There will be no pensions of course until the law is passed but it may be some time after the law has been put on the statute books, before the machinery can be erected and set in motion which will bring pension checks to the doors of the pensionable blind of the Dominion.

It is almost fourteen years since it was first seriously suggested that pensions should be paid to the unemployable blind in Canada. Since that time the question has constantly been kept before whatever government was in power. Starting at first as a mild suggestion, the idea has grown in strength and popularity until, during the past two or three years, persistent and practically unanimous support has been forth coming from all parts of the Dominion.

Now at last, there are to be pensions. Just what form the legislation will take will not be known until the legislation is prepared. The probability is that the Act will be in the form of an amendment to the Old Age Pensions Act.

Whatever the provisions of the Act may be, it is certain that they will be of tremendous benefit to a great many people who are not now in receipt of a regular income of any kind and are constantly living in dread of destitution.

A SHORTER WORKING LIFE

One of life's greatest satisfactions is in doing things, in accomplishing things by our own hand or brain, and there is often more real happiness in our daily work than in the amusements we pay for in our leisure hours.

But most of us do not like to feel that we are obliged to work, and applaud the extension each year of the shorter working weeks. By this means there has been in a few decades a tremendous reduction in the working time of the average life, and the end is not in sight.

Our working lives are also being shortened at both ends. Every ten years the general age for young people to start earning their living advances one year; at the other end of life we find the proportion of persons at work over the age of 65 steadily diminishing.

These changes have had to be increased expenditure out of the public purse, because the younger people have had to be kept longer in school, and those over 70 have had to have pensions.

One by one since 1927 the Provinces, in co-operation with the Dominion Government have made arrangements for giving older people an income when their working days are over, and this winter for the first time, old age pensions are being paid in all of the provinces. Their cost in a year will now be something like 30 million dollars, 75 per cent of which is paid by the Dominion Government.

THE LIFE OF A PUBLISHER

One issue is through, then you sit down (sez you) and you've nothing to do till the next, but alas and alack, this isn't a fact, for the Lino is crying for text. So you take off your coat, and you scan every note, and the mill you keep driving till hazy, and you'll make a good "rag," if you don't stop to brag, and if you're not awfully lazy.

For the machine must be fed, and let it be said, fla hungry and takes lots of feeding, but life's on its way and each passing day, events are both subtle and speeding. You grow old and grey, as each story you play for headlines are rare and elusive, and you'll learn as you live, that facts are a sieve, and nothing, but death, is conclusive.

So when one issue's done, you'll rest not, my son, but you'll bear down and be a go-getter; and maybe some day your public will say, "your paper gets better and better."

CAYUGA BOAST ONE GOAL LEAD OVER TOBACCOMEN

Carry Slight Advantage Into Second Game at Simcoe Friday Night

Cayuga "Indians" will carry a one goal lead into the second game of the goals to count series for the Rural Championship of the Haldimand-Norfolk at Simcoe Arena on Friday night. In the first game of the play-offs at Cayuga Tuesday night, the Indians nursed a one goal advantage throughout the entire third period to nose out a determined Delhi squad.

The Haldimand team carried the play to the Tobacco men for two periods and built up a two goal lead. In the third period Delhi made a determined effort to square accounts but fell one short of their objective as the Indians back-pedidled. For Cayuga Wilfred "Scrap-per" Gilliard showed to advantage as he clicked on two goalward rushes. Big Hank Smith, dusky defenseman was the other marksman. Nance was the shining light in the Delhi lineup.

The game was witnessed by a goodly crowd who saw one of the best exhibitions of hockey produced in Cayuga this year. The ice was fairly fast until the third period when it began to cut up.

The winner of this series for the Haldimand-Norfolk Rural Champion ship will go directly into the finals for the Senior section of the O.R.H.A. for Provincial honours.

CAYUGA AND DELHI BATTLE FOR RURAL TITLE

Remaining Teams Compete For Norfolk Honours

At a meeting called by League President, Stan Cross and held in Simcoe Monday evening, the playoff problem of the Haldimand-Norfolk Rural League was solved in part. All of the teams entered were represented and it was decided to allow Delhi and Cayuga to fight it out for the right to represent the league in the senior section of the Rural playdowns.

Formerly, it was intended that the above two teams together with Jarvis and Waterford would playoff in the usual manner for Rural honours, but many complications have set in headed by the decidedly inclement weather. Jarvis particularly have suffered by losing players to the O.H.A. and Waterford will not adhere to the Rural rules so that they were forced to give up hopes of a Rural championship. The latter team with Jackson's of Simcoe, will continue in an attempt to wrest the Percy Carter Trophy, emblematic of the championship of Norfolk of the local defending cup holders. These play-offs have not definitely been decided on as yet, but as soon as they are the dates will be released by the "Record."

In the battle for the Rural honours between Cayuga and Delhi, a winner must be declared by March 1st. The Senior section of the O.R.H.A. consists of but four leagues, Haldimand-Norfolk, Norwich-Tavistock and Mitchell. The Haldimand-Norfolk representative was formerly scheduled to receive a bye into the finals for Provincial honours.

MINERS TURN ON QUARRYTOWNERS

The result of the second play-off hockey game between Caledonia and Hagersville last week brought back memories of the baseball situation last year. Hagersville has held the upper hand in these two major sports in this neck of the woods for years but in 1936 Caledonia has stated in no uncertain way that they are tired of it. First they won three decisive, clean-cut victories over the "Villans" on the diamond and now the "Miners" clearcut victories over the "Villans" on the diamond and now the "Miners" cleancut victories over the "Villans" on the diamond and now the "Miners" have added insult to injury by overcoming a two goal deficit to win the round ten to seven. These victories must have been sweet to the Caledonians, especially Talmadge Wooley. Wooley, Caledonia net guardian is improving slowly. However, in my opinion these regardless of that, victory must have been sweet. victories will prove to be a great encouragement to sport in Haldimand County. For some time Hagersville has been considered invincible in these sports, more so, baseball. Now since Caledonia has given them an idea what defeat tastes like, other communities are going to have a try.

THE HALDIMAND-NORFOLK LEAGUE AT A GLANCE

First, glance at the bottom of the league standing and you will find Jarvis occupying that dreaded spot. This much is an established fact because in their two starts they have received two set backs. All of the cause in their two starts they have received two set backs. other teams have won at least one game. However it is not the standing of the league which we are interested in, it's the coming play-offs. You can rest assured that the locals will receive a berth in the play-offs. How likely that all the teams will be thrown in with one receiving a bye. That is for the Norfolk title and the Percy Carter Trophy. The right to enter rumour is abroad and if these rumours are true, there is a terrific stench accompanying them. At first glance, it does not seem so drastic, but after perusing of the rules governing a Rural League, it begins to become not iceable. Efforts are being made to clear up the situation and it will be to the league's advantage if the executive succeeds.

CHARLIE MITCHELL STARS IN LATE DEFEAT

In the latest defeat that the locals received, a three to two reversal at the hands of Jackson's "Plymouths" of Simcoe, Charlie Mitchell showed that still another year has gone by and he still is the stylist of yore. He appeared to be easily the best man on the ice, playing the full sixty minutes and turning in a scintillating effort. He notched both of the local markers, the first on a nice relay from Thomas and the second when he stole the puck inside the Simcoe blue line. On two other occasions, he almost clicked as he outmanouvered the opposing defence and extended Gilmore in the Simcoe net to his utmost. Dan Brock was not far behind neighbor Mitchell, playing sixty minutes with him on the defense. Ineligible for the play-offs is the goat whether deserving of this dubious honour or not. In this game, however, Bob Brock could not be called the goat by his most caustic critic. His work between the Jarvis posts was deserving of four star mention. Altogether it sums up to the fact that the locals were outdone on the evening's play.

BADMINTON RESISTED ? ? ?

A great deal of interest has been shown lately in the comparatively youthful game of Badminton. Every year more and more shuttlecocks are being purchased and the game is being played now by other than those merely looking for the necessary exercise. Many still claim that it is a game played by "Cream-puffs" exclusively. However, I defy anyone to play an hour of strenuous, competitive badminton and then say that another go at the game immediately. Hockey is claimed to be the fastest game in the world but we're beginning to have our doubts. While I'm on the subject, the results of last week show that Jarvis and Cayuga must meet in a three tourney series to decide the winner of the Haldimand A.Y.P.A. championship and the W. Willis Tip Top Trophy.

SPORTS AND ENDS

Caledonia has another two-goal deficit to overcome when they meet Simcoe in the second game of the two game, goals to count series. Monday evening saw Simcoe pull off ahead with a two goal lead. Nobes, Oetman and Habermell being the marksmen. Eddie O'Donnell has replaced brother Frank on the Simcoe Intermediate squad according to reports of the game. It was decided at a meeting of the Haldimand-Norfolk league prexys that Jarvis, the defending champions, Waterford, Jackson's and perhaps Delhi would battle it out for the Norfolk title and Percy Carter trophy. The play-offs have not been settled as yet.

Caledonia "Miners" were not the only ones to pull a surprise last week. The Cayuga Badminton club upset the dope by reversing the decision against Nanticoke in a third game. Saw Dundurn and Teeterville in a play-off game at Simcoe Arena Monday night. A real contest for a team that was dished up in the league as "has-beens" and "ready for the fun of it."

Pretaining to this mess that Basil Smith and Jimmy Lee, of the Delhi hockey club, got into, it seems that the club was not at fault. It must have been old home week at the Baird homes in Cayuga last week.
