McBride Elected Head Jarvis Board of Trade
The annual meeting of the Jarvis Board of Trade was held in the Town Hall last Thursday evening with eighteen present. The meeting opened with a prayer, followed by the reading of the report of the president, who went over the work of the Board last year and gave a detailed account of the year's activities. The Treasurer's report revealed a small deficit on the year's operations. The chief source of revenue of other years, the annual celebration, not being held last year, reduced substantially the Board's receipts. The largest undertaking assumed by the Board in 1936 is the Short Course in Agriculture and Home Economics, which is being sponsored financially by the Board of Trade. It was the unanimous opinion of each member of the Board that the disposition of money in this manner was money very well spent.
