WE MISS THE BAND

Some three or four years ago amid reasonable enthusiasm, the Jarvis Brass Band was re-organized after a lengthy term of retirement and with much hard work, discouragement and disappointment, a promising organization was established. During 1936, to the casual observer, the band would with a little assistance, round out as an organization which every citizen could be proud of. Up to this point the members had struggled along with a good membership although some of them must have been playing on instruments resembling "Bob Burns" Gazooka. Nevertheless, they were staunch in their membership.

Watching the band boys struggle along against such adverse circumstances for so long, a few interested citizens were impressed to the point where they waited upon the Village Council in quest of a financial grant that would help enable the boys to procure better equipment. After some effort in this regard, the grant was made. Again to the casual observer it would appear that the shock of receiving this grant was too great for the Jarvis Brass Band organization. At any rate, something has happened to put them in retirement. During 1937 they have only made one feeble appearance on Saturday evening.

Too bad when so many had anticipated enjoyable band concerts throughout the current season.

TID-BITS OF THE DIAMOND

BY
JACK HORNE

Now that the schedule games of the Jarvis and Walpole Softball League have been completed the play-offs are once more at hand. The first of these best two out of three semi-final games will be played Saturday night with Jarvis (1) meeting either Jarvis (2) or Renton. An announcement of this game can be found elsewhere in this issue. Varency will meet either Garnet, Renton or Jarvis (2) — to be exact, in the other semi-final series.

The 1937 J. & W. batting champion ship had not been decided definitely when this was written. Laird Miller had a margin of two points over Frank O'Donnell's 468. Cliff Walker who barely got under the wire (25 times at bat) had third place cinched with a commanding .440. Herm Fess, "Hub" Saunders, B. McMurchy and M. Peacock follow in that order. From McMurchy to the top it was a nice race, but 63 points separating sixth and first place. The final standing of the "Slugging Seven" will be in the next edition of the "Record" as well as the batting average of all of the players.

"Hub" Saunders, runner-up to Dave Banks for the batting crown in 1936 was very slow starting this year. However, after he got going he came along like a prairie fire and piled up a desirable record. In fact his record tags him as one of the most valuable men in the J. & W. He captured fifth place in the "Seven with a .416 Slugged out a total of six homers to win the home run crown and scored the most runs, 20. Runner up to Saunders in the home run department was Tom Tweedie, Jarvis (1) second-sacker with three circuit clouts. Tweedie, just missed the "Slugging Seven" with an average of .346.

If anyone doubts the ability of the J. & W. mushballers to actually step into the ball, let me take you into the records. In all, the six teams have slapped out thirty-eight homers in thirty games. Varency with home run champion Saunders, leading them, led as a unit with ten. The Garnet outfit hammered out seven round trippers and Jarvis (1), Renton and Erie each collected six. Jarvis (2) had the fewest, a total of three.

JARVIS WELL REPRESENTED AT SCHOOL

After having poured over the list of candidates, or what have you, at the Toronto Maple Leaf Training School I will wager that Jarvis is as ably as well represented, taking into consideration it's size, as any other village or city in Ontario or Canada for that matter. Three graduates from local sandlots are exhibiting their wares to the watchful eyes of Dan Howley, Clyde Engle, Bert Ferry and the various newshawks. Two of the gang namely, Malcolm Peacock, Morley Leatherdale and Eddie O'Donnell. Add the name of Grant Kett, "alibi Ike" as the Toronto railbirds tagged him and the 1935 Haldimand Juvenile Champions are also well represented. The fact that Jarvis can send three young baseball players, into the midst of a vast metropolis, who can hold their own with the one hundred and fifty or more hopefuls from all over Canada, is a distinct honour to this Village itself. The box scores to date, show that our boys have no reason to back up from the best of them.

PEACOCK RECEIVES PERRY'S RECOMMENDATION

When Al Leary collared Bert Ferry, Leaf publicity director, at the stadium on Monday afternoon and asked him to name a few of the outstanding youths it was very pleasant, indeed to hear him name Malcolm Peacock. Along with the local initial sacker, he named two other lads, both hurlers. Perry has been young enough to know whereof he speaks and if the local boy keeps up the pace, it may turn out to be a very profitable trip for him. As Perry said: "Peacock sneaked in under the age limit by one year, but that will be of great advantage to him."

TRAINING SCHOOL BRIEFS

The "students" were the guests of the Toronto Club at the Newark Leaf game on Monday night.....A few of the prominents noted at the stadium Monday were: "Bucko" McDonald of Detroit Red Wing hockey fame and Gordie Drillon of the Leafs.....Professor Karl Davidson, of the Simcoe Red Sox got into the game for a couple of innings. Would you call that second childhood.....A young chap, named Gordon, represents Caledonia and apparently is doing a neat little hurling chore. He slings them for the Caledonia "C" team when he is at home.....Grant Kett had the fans rolling in the aisles while he was in action. Remember when he did his clowning for the local juveniles".....Andy Lytle, Toronto's own Winchell, has this to say of Malcolm Peacock: "Slim, cottish, with a good idea of covering first base." The local boy is really making an impression on the experts.

PULLEY, GIVEN, DAGLEISH UNANIMOUS

The All-Star selections of Tom McCall of the Simcoe Reformer, Ernie Hutton, of the Caledonia Grand River Sachem, Bill Van Kuren, of the Dunnville Gazette and your correspondent have unanimously named three players. The three are: Pulley, Simcoe Red Sox receiver, Fred Given, Sox short stop and Doug Dagleish, Caledonia's good righthander. Although many of the fans may differ vastly in their private selections, it is a known fact that these players are just about the best in their line in the Haldimand and Tobacco Belt league. The honour, if such it can be called of being selected by the four scribes, as well as many fans, is something to be cherished for years to come and a mark to be aimed at in future seasons.

WID, ERNIE AND SIDELINER MALTREATED

When I state that "Wid" Green, Ernie Hutton and myself were roughly used by the other scribes, I mean just that. I selected Green and Hutton for right and centre field respectively. Notwithstanding, the other scribes overlooked both of these players. I fail to understand how they could do it. Hutton could have tied Jaques for the centre garden position but one can hardly select oneself, can one? However, I still think there is room for argument about the merits of Hutton and Simcoe's Ben Jaques. Averaging the four selections the All-Star team lines up as follows. The number after each player donates points received: Catcher, Pulley, of Simcoe (4); Pitcher, Dagleish of Caledonia (4); Murphy of Hagersville (3); 1st base, Davidson, Simcoe (3); 2nd base, Montgomery, Caledonia (3); 3rd base, Whitehead, Simcoe (3); short stop, Given, Simcoe (4); left field, L. Knight, Caledonia (2); centre field, Jaques, Simcoe (3); right field, Clark, Hagersville (2).

OFF THE PRESS

Do you remember Wally Stewart who used to hurl from the portside for Caledonia? He's still pushing them up in the Niagara loup for Thorold..... "Chuck" Silverthorne, almost forgot him, was selected as the Intercounty starspangled squad.....Malcolm Peacock, who hits the headlines more often than the rest of the Hagersville squad together, was chosen for the hot corner by Bill Van Kuren..... The J. & W. play-offs are at hand and it has been suggested that a dime admission be charged instead of passing the hat. Wonder if it would cut down the attendance.

RENTON RETAINS PLAY-OFF HOPES IN SLUG FEST

Defeat Jarvis (1) 14 - 7 With 14 Hit Barrage Which Included Two Homers. Tweedie Also Connects for Circuit.

Renton retained their play-off hopes on Saturday night when they slugged Jarvis (1) into submission with a barrage of fourteen hits which accounted for fourteen runs. Both Miller and Horne on the mound for the second place local team failed to have any effect on the grimly determined Rentonites as they played errorlessly behind the hurling of the O'Donnell brothers.

The game meant either a chance to fight for a play-off berth or oblivion to Renton and they played with a do or die attitude. In contrast, the game meant nothing to the Jarvis (1) team and they were very disinterested when Renton built up a lead.

J. O'Mahony was the big gun of the Renton offensive, hammering out a homer and two singles. E. O'Donnell, F. O'Donnell, R. Brock, Phillips and Brennan each connected safely twice. Brennan also hit for the circuit. Malcolm Peacock was the lone Jarvis player to get more than one safety. Tweedie hit his third homer of the season in the fifth.

VARENCY FINISHES FIRST SECOND SUCCESSIVE YEAR

Defeat Garnet 13-11 in Wild Struggle Monday Night to Definitely Win the Leadership of J. & W. League.

For two consecutive years, Varency has won the leadership of the Jarvis and Walpole Softball League. Their 13-11 victory over Garnet on Monday night added to their one point lead over Jarvis (1) confirmed their alleged victory.

The game, a wild slugfest in itself meant a great deal to Garnet. A victory would have assured them of a play-off berth, but the loss leaves their fate in the hands of the Erie team. If Erie defeats Renton, Garnet will play off with Varency in the semi finals. A total of three home runs featured the contest, McMurchy, Roulston and "Hub" Saunders connecting for the round trip. It was Saunder's sixth home run of the season. In all 21 hits were hammered out by the two teams.

Fearman went the distance for Garnet and served up a fair brand of ball until the seventh when with two out and a one run lead, he filled the bases, allowed a run to score and then threw one down the alley to "Hub" Saunders who really got behind it.

"Hub" Saunders, B. Miller and Dixon shared the box for Varency in that order. Dixon being credited with the victory. Defensively young Max Saunders, shone, as he was substituted into the infield at third base due to the absence of G. Miller. He handled six chances, with but one uncostly error and started a fast double play.

Banks and H. Saunders each hit safely twice for Varency while Meehan led the counterattack with three valuable singles.

UNINTENDED SIGNALS OF DISTRESS

A widespread activity of Boy Scouts during preparations for the Coronation celebration, was the informing of business firms and private homes that their Union Jacks were flying as signals of distress instead of rejoicing. In other words, were up side down. Except in rare cases the boys were thanked and the flags corrected. It was said Toronto Scouts counted one hundred incorrectly hung flags on one street.

THE SLUGGING SEVEN

The "Slugging Seven" this week does not include the Wednesday night Erie - Renton game.
Frank O'Donnell, trailing Laird Miller by but two points may by this time have passed him. In the next issue of the "Record" the batting champion of the J. & W. will be announced as well as the final "Slugging Seven." Once again this year a batter will have had to have been at the plate at least twenty-five times in order that his average may be eligible. The only change that can possibly occur in the "Seven" is either the rise or fall of Frank O'Donnell's average.

VARENCY AND GARNET PLAY TO 4—4 DEADLOCK

Varency and Garnet played through seven innings of every close ball on Friday evening and wound up in a 4—4 deadlock. They were prevented from playing extra innings by darkness. The split of points was of very little value to Garnet in their chase after one of the very elusive play-off berths.

The game, despite the score was a very slow exhibition, getting a late start and appearing exceptionally draggy throughout.

Varency took a one run lead in the second when Manager Parkinson crossed the plate. Garnet overtook and passed them in the third scoring three markers on Hazlett's double, two singles, two errors and a sacrifice. Varency drew to within one of the opposition total when "Hub" Saunders hammered out his fifth round tripper of the season.

Both teams scored once in the fifth stanza and Varency pulled up on even terms in the sixth when Saunders walked and was sacrificed around. Neither team was able to break the deadlock in the seventh, although Garnet threatened when Montague singled with none out. He was forced at second, however, to nip the rally in the bud.

As usual "Hub" Saunders paved the way for the Parkinsonmen having a perfect night, being at bat twice, scoring twice and hitting safe twice. Jaques also had a brace of hits and manager Hazlett led Garnet with two safeties, including a double.

"A Woman's Work is Never Done"

This old saying may or may not be true, But certainly if your home lacks running water, and a kitchen sink, the job of housekeeping is greatly increased.

With running water, supplied by a Duro Pumping System, and piped to any part of your home, it will be ready for an Emco sink in the kitchen and an Emco equipped bathroom.

All Emco Fixtures and Fittings are carefully made, subject to the closest inspection and will give years of unexcelled service.

Emco prices are moderate. For example, Snow-white Enamelled Sink, as illustrated, 20" x 42", including Faucet and Trap, ready for installation for as low as..... $36.00

The Duro Special Pump, illustrated below, has a capacity of 250 gallons per hour, is supplied with a 30 gallon Galvanized Tank and 110 volt, 25 or 60 cycle, motor, and costs only..... $89.00

Small Monthly Payments

The Home Improvement Loan Act enables you to purchase Emco fixtures, fittings and Duro Pumps on the monthly payment plan over a period not exceeding three years. Enquiries given prompt attention and estimates supplied without charge.
