TID-BITS OF THE DIAMOND

BY JACK HORNE

The weatherman gave the J. & W. mushballers a break last week and they got two scheduled games run off. To date the league has a record of six games played and four games postponed. Renton has not yet been able to complete a game, all of the other teams having either won or lost at least one game. Renton plan to run off one of their postponed games on Thursday night, June 3rd against Garnet.

The J. & W. league boasts many novel records among them being, a team which can commit sixteen errors in five innings of play. Yes sir, Erie is the erringest danged team in these parts. Varency put the skids under the aforementioned squad 25 - 7 (no it wasn't basket ball) on Saturday evening. The queer part of it was that the winners got but two more hits than the

losers. Erie however, aided their cause, with much rolling around in the dirt and the booting of sixteen chances.

—:—

Leading in the runs scored, is one Hughie Montgomery, with ten mark ers out of ten times at bat. This same person has hit safely thrice and yet he tallies ten times. There aint no justice. Hey, Waiter, hey !

—:—

There is quite a man-sized duel, 170, 180, 220 lbs, respectively, being waged atwixt Varency's Messrs Saunders and G. Miller and Jarvis 1's Mr. Tweedie for home run honors. Each of the aforementioned have got behind the ball and hoisted it for circuit clouts twice in league competition. Attempting to steal a march on the others Geo. Miller hit one, practically out of the grounds in the Jarvis-Varency exhibition tilt on the 24th. Not to be outdone, Saunders and Tweedie followed suit later in the game.

—:—

Leading the "Slugging Seven" at the present time is one Ted Parkinson, the versatile varmint of Varson, the versatile varmint of Varsity fame. Ted has been to the plate twelve times and has safely connected six times, for an average of .500. Tweedie also has an average of .500, having been to the platter eight official times for four safeties.

—:—

Several weeks ago this column carried a report of the bweaking up of a beautiful friendship. That is, the G. Miller, H. Montgomery, T. Parkinson chummy circle. The three in question were not going to converse with one another after the mushball season got under way. Don't believe it. I walked in on a private rendezvous not long ago with the terrible triplets acting like long lost friends. Sure it's a phoney.

PORT DOVER ROUNDS OUT INTERMEDIATE "C" LOUP

The addition of Port Dover "Sailors" to its roster enables the Haldimand League to boast a four team Intermediate "C" loup. The other three teams consist of Caledonia, Hagersville and a combination of Selkirk and Fisherville. This correspondent has been unable to obtain a schedule as yet, but it is expected that they willsoon be released and the "Record" will publish it immediately. With the exception of the Fisherville-Selkirk combination the "C" teams will consist principally of junior aged players. Two local boys will perform with the Quarrytown squad, namely, Stanley "Red" Mitchell and Morley Leatherdale. All through the league you will find Junior players making their bow to the public in Intermediate company. Fisherville will probably have the oldest team in the loup and it is my opinion that they are the team to beat. With a little additional strength on the mound the Sailors would be a decided threat, providing they field the Junior team of last summer.

JARVIS UNDOUBTEDLY MISSES BASEBALL

Practically two years out of baseball and have the citizens forgotten the game ? Undoubtedly they do not. Very apparent is the wistful look in the eyes of the dyed in the wool baseball fans of our fair villa. Yes, we have a few left, who still go so far as to say that any team in this district which isn't drawing exceptionally well at the turnstiles could play their games on the local diamond and forget there ever was a depression. When the Hagersville ball club plastered their Dunnville vs. Hagersville posters about Jarvis, the natives gathered in wild eyed approval. With a lustful, eager hastiness they gathered big, small, fat, skinny, tall, short, even the children, dogs and what have you rubbed their hands together expectancy. Were they interested ? Well or what have you, in eager expectancy. Were they interested ? Well I should say so. If in doubt, an interview with those watchful gentlemen who passed out the pasteboards at the gates in Hagersville Saturday afternoon will assure you——I think.

COMPARABLE INJURIES AGAIN BLOCK TIGERS

The Detroit Tigers won the American league pennant and the world series in 1935. A poll of those in the know declared that the pennant race in 1936 would be a toss up between the Bengals and New York Yankees. Nevertheless the Yanks walked away with the flag leaving the Tigers some nineteen games in their wake. Many reasons were given for the downfall of the Motor City, the two chief ones being Murderer's Row and the costly injuries sustained by the Tigers. There is little doubt that the Yankees showed a slight margin in power, but had it not been for the injuries to Greenburg and Cochrane, it should have been a race all the way. Detroit fans had high hopes of a come-back by their pets this year, but at the present time it looks like a repetition of the previous year. Mike Cochrane is laying in a New York hospital, suffering a broken skull and Cochrane is laying in a New York hospital, suffering a broken skull and other complications caused by being beaned by one of Bump Hadley's "Sailors." Even his most ardent follower cannot say when Manager Mike will be back, if ever, as an active player. The Tigers were depending a great deal on unseasoned moundsmen this year and there is nobody to handle them like Cockrane could. His field generalship and handling of Prima Donas can be questioned by no one. You may say that Greenburg is active come-back should make a difference. Doubtlessly it should, but the Tiger's have another drawback to compete with. The ailing underpins of Charlie Gehringer. The "Champ" dean of all keystone guardians seems to be having trouble with his legs. He has been out of the game for some two weeks and although "Woody" English is doing a fair chore as fill in, Gehringer's absence in the line-up weakens the team more than one would think. The Tigers are certainly getting the share of tough luck they escaped during 1934-35.

OFF THE PRESS

The mail brought a report of a three-hit game hurled by Bill "Fat" Warren in the Hamilton City Senior league on Saturday. the same Mr. Warren was scheduled to aid Doug Dagleish down in Caledonia this year but ——— Toronto's Jimmy Walsh is blossoming out into quite a home run clouter in his own right. Eight home runs in ten games is really hitting. Up in Barrie they call ball games on account of mosquitoes. Sit down strikers, as it was on account of ——— Army Hodgins hit a homy run (?) in the Dunnville - Hagersville tilt on Saturday afternoon. A hay mower would have put the skids under that one.

MAE WEST TO MAKE VISIT TO HAGERSVILLE

Mae West is coming to Hagersville on Wednesday, June 9th.! No not the Mae West of moving picture fame, but one of the fourteen donkeys which will be there.

According to E. V. Smith, owner of the burros, Mae is a sad-eyed little animal, but she has plenty of curves and sex appeal !

The remainder of the donkey troupe have like high-sounding names including, J. Wellington Whimpy, Amos 'n Andy, Sally Rand, Pop Eye Napoleon, Winchell, Rubinoff, Deacon, Garbo, Mahatma Ghandi, Al Smith and Madam Queen.

JARVIS (2) END LOSING STREAK AT EXPENSE OF GARNET

Local Seniors Take First Win of Season Defeating Garnet 11 - 2. Hal Huris Masterful Ball Allotting But Three Hits in Five Innings

Jarvis number (2) team won their first game of the season on Monday evening defeating Garnet in an abbreviated fixture 11 to 2. The lobeviated fixture 11 to 2. The lobcas had previously lost to Jarvis (1) and Varency respectively. Both teams put up a fair brand of ball, Walker and Stewart were the only score than hits. Jarvis took the lead in the first and were never headed, Herm Fess clouting a stinging four-bagger with two mates aboard.

Fielding tidbits were scarce articles indeed for both Hill and Phibbs pitched in a manner which forbit hard hit balls. Phibbs deserved much better support, but it was not forthcoming. The best fielding effort of the game was in the fifth stanza when Roulston grabbed Saunder's line drive and caught Enid coming off first base.

Herm Fess was the best man at the plate for the locals having a homer and a single to his credit. Walker had two safeties, including a double. For Garnet, Meehan led with two singles, Smith getting the remaining hit.

Cord Saunders hit a beautiful homer in the sixth and Meehan, Smith and Gelinas all singled in that stanza. These hits, however, were wiped off the records when the game was set back to the fifth innings.

VARENCY - ERIE GAME COMEDY OF ERRORS

Varency Wallop Erie 26 - 7 While Vanquished Commit Sixteen Miscleamours.

The largest runs scored total of the year can be grouped with the Varency - Erie game of Saturday night when Varency misused Erie to the tune of 25 - 7. The sad part of the affair is the fact that Varency collected but ten hits as compared to the loser's eight safeties. In the meantime however, the losers booted sixteen times to the wind while Varency had a clean sheet in that department. Every player on the Erie team with the exception of H. Temple and McBurney had an error chalked against him. Four players committed three costly mistakes apiece.

Stadder on the mound for Erie, hurled good ball but his effort was offset by that of his mates. Dixon hurling for the winners, found it comparatively easy sailing and merely coasted in. Easton and Harry Temple led with the hickory for the vanquished, having two safeties apiece. Jaques and Parkinson were the leading safetmiths for Varency getting two hits apiece.

WATERFORD

Clarence Hellyer died of heart seizure on Sunday morning. He was in his 73rd year and had been failing in health for sometime but was down on Saturday evening and had attended a ball game in the afternoon. His sudden demise came as a shock. He had always lived in this district and was the son of the late Walter and Mrs. Hellyer and the last survivor of a family of four. He was twice married, his last wife who was before her marriage Miss Minnie Erwin, predeceased him four years ago. For many years he conducted a farm and was one of the first to enter into the genaing growing of which he has been very successful. He was a member of the Baptist Church and has been very active in all business transactions of the church. The funeral was held from his late residence on Wednesday. His pastor, Rev. A. H. Fromow, conducted the service. Those left to mourn are two daughters, Mrs. Fred Ward, Waterford and Mrs. (Dr.) Clifford Mason, Hamilton and one grand daughter, Susanne Mason, Hamilton. Interment was made in Greenwood cemetery, Waterford.

Another public mass meeting of the citizens Club was held in the Town Hall in the interest of the dismissal of the principal of the High School. Mr. Goheen. The meeting was opened by singing God Save the King. Mr. Goheen addressed the meeting. He said he did not want to say nasty things about any person but only so far as to clear himself. He thought much had been gained by the mass meetings as he wanted to see the high school conducted on high moral standing and that he was not concerned about himself, not have it with him, so then he asked that it be published in the press which was granted.

ONE of the best things about Chevrolet *quality* is the way it saves you money on gas, oil and upkeep—and assures you of higher "trade-in" value later on.

For instance, the quality design of Chevrolet's Valve-in-Head Engine saves you as much as 10% on operating costs! Knee-Action, on Master De Luxe models, saves you dollars on "tightening-up"—because it cushions the car, as well as the passengers, against the pounding of rough roads. The Unisteel Turret Top Bodies by Fisher are solidly built to "stand up", without developing annoying rattles and squeaks.

From perfected Hydraulic Brakes to genuine Fisher No-Draft Ventilation, Chevrolet is every inch a quality product—famous for dependability! See it and drive it yourself ... listen to what owners say ... and you'll never be satisfied with less!
