SALINA TEA

DEATH ON THE DIAMOND BY CORTLAND FITZSIMMONS

Synopsis: When the United League opens the gamblers are offering 200 to 1 that Pop Clark's New York Blues will not win the pennant.

Terry's room was a mess. He had to get up early for his date with the girl.

On that day Terry was in a hurry. He had to get ready for his date with the girl.

The boss wants to see you, the detective whispered. Terry followed him to the office.

You can't be kept out of these things, can you? Dowell said with a broad grin on his face.

"You may not believe it, but we are paid now. Just like kids. We made up after the scrap and pal around now whenever we can get together."

"He's doing pretty well with Boston, I understand."

"I don't mind admitting that I have almost any minute, I don't feel too healthy right now."

"I'm checking all the stores of my size that handle puzzles. Only two stores carry that particular make and they didn't have that puzzle in stock yesterday."

FARM NOTES

Conducted by PROFESSOR HENRY G. BELL

Question:—"How long does it take manure to produce nitrate in the soil?"

Answer:—"The nitrogen of stock manure is quickly available, especially when it is applied to the soil in the spring when the prevailing temperature is rising."

You probably know that if manure is fairly well stored so as to take care of the liquid manure, it will contain from 10 to 15 lbs. potash per ton.
