Though the Canadian strawberry crop may be a little late this year, it promises to be a good one. There is no fruit quite so delicious as fresh to fruit quite so delicious as f 1/2 cup cupar, 1 pint fresh strawber. strawberries so when they do finally

them plentifully and often. Many people prefer just plain strawberries people prefer just plain strawberries cup cream, whipped. people prefer just plain strawberries and cream but even this gets a little tiresome during the season so it is a good idea to have on hand, several smart strawberry recipes which you can use for the sake of variation.

Here are three recipes which use lidly boiling water, hring to sealding eream is pepped up and make more lelicious by flavouring it with straw-berries and using quick-cooking taploperies and quick-c

> HOW TO SEW by RUTH WYETH SPEARS Embroider Gay Borders for Gift Towels

Styles in towels must have changed in the last year or so. To be smart now a towel must have real pep. Even the guest towels are gay and look as if they were meant to use. That is certainly a step in and look as if they were meant to use. That is certainly a step in and look as if they were meant to use. That is certainly a step in and look as if they were meant to use. That is certainly a step in and look as if they were meant to use. They are made in the strength of the s

Plan the hems of the towels to be deep enough so they may be

Plan the hems of the towels to be deep enough so they may be turned up over the wrong side of the embroidery. You will not need stamping patterns for them. The daisy design shown at A is done in dark yellow and hunters' green. With a ruler and soft pencil mark the edge I nes of the border. These lines are one inch apart. Mark the circles for the daisies by drawing around a five-cent piece. Space the daisies two inches apart.

Remember that this is not dainty embroidery. You are working for a bold effect. The edge lines of this border are embroidered in the twisted running stitch. Make running stitches of the green thread—all six strands threaded through a needle with long eye and then used double to make 12 strands; then weave six strands of yellow thread in and out under the running stitches to give twisted effect. Embroider the daisies as at C with six strands of yellow. The green leaves are also done with six strands. They are made with three stitches—the centre one a little longer than the others.

leaves are also done with six strands. They are made with three stitches—the centre one a little longer than the others.

The border of squares at B is turkey red and china blue and is done entirely with six strands of the strand cotton. The edge lines are embroidered in blue Y stitches with red chain stitches between. The large squares are red and the small ones blue. Mark the edge lines of the border one inch apart. The squares are three-quarters of an inch apart. The large ones measure one half inch each way, and the small one one-quarter inch.

To embroider the edge lines, make the Y stitches first, as shown at D: then embroider the chain stitches between them. The squares

To embroider the edge lines, make the Y stitches first, as shown at D; then embroider the chain stitches between them. The squares are embroidered as at E.
