THE OTTAWA SPOTLIGHT

Paterson and Mr. F. Andrews of Renton on Saturday.

Mr. and Mrs. Milton Baldwin, of Villa Nova, visited with Mr. and Mrs. R. A. McCarter on Sunday.

Mr. Wilfred Willis has been confined to his home for the past few days with an attack of influenza.

Mr. Joseph Johnson, of St. Thomas, spent the week-end with his parents, Mr. and Mrs. Raiph Johnson.

THE OTTAWA SPOTLIGHT

(Coutinued from pag. .ive)
licate issue has been negotiated with a minimum of opposition or friction, it is not difficult to foresee what a storm could blow up in Quebec and on the prairies if it should seem to the government expedient, some time later, to vote more war estimates.

Almost No Break

Meantime, 'the party ranks stand almost without a break. It is true that the wording of the "want of confidence" motion was such as to confuse the issue slightly. If it had been a straight negative of the defence appropriations, it would probably have caught a few more supporters. A number of Liberals feel sufficiently strong about it to vote against the individual estimates themselves, when they come up; but not enough to support a vote which, if it carried, would throw the present government out and bring along a general election.

Relief is in sight for the financially embarrassed provinces in the West, with the hope of a long rang a general election.

Relief is in sight for the financially embarrassed provinces in the West, with the hope of a long rang and general election.

A royal commission is to examine the taxing powers of the provinces and their social obligations. At present there appears to be a serious disparity between them. The cure may be to enlarge their taxing powers or the provinces and their social obligations. At present there appears to be a serious disparity between them. The cure may be to enlarge their taxing powers of the provinces and their social obligations. At present there appears to be a serious disparity between them. The cure may be to enlarge their taxing powers of the provinces and their social obligations. At present there appears to be a serious disparity between them. The cure may be to enlarge their taxing powers of the provinces and their social obligations. At present of the social obligations, and the provinces of the social obligations and the provinces of their social affairs he has ever had the pleasure of attending, though the provinces of subsidies
