Deut. 13:18, 19: Mal. 2:4, 6; John 7.16 5:24). "And the world hated them, because they re not of the world, even as I am not of the world." The tenses are next, by the main reference as as I am not of the world. The tenses are past, b the main reference assuredly is prophetic; we infer that here, as so frequently in this prayer, the Lord is speaking as if the future. which tay germinating in the present was the present already.

"I pray not that thou shouldest take them from the world, but that thou shouldest keep them rom the evil one." Taht is only evil to us, which can hurt the soul (Psalm 121:7) all the other things, which we may think evil, and call evil, shall work together for our good. The evil hat can hurt or from the hatred of the world, or from our own poor wretched, fallen nature, or from the consequences of sin

consequences of sin

"They are not of the world, even as
I am not of the world." Though we
were born in the world, and live by
the substance of the world physically,
are educated in the world's schools,
and transact business in the world's
markets, yet we are delive ed from
the dominion of the ideals of the
world (Rom. 12:2). We, by our faith,
in Jesus Christ, have victor, over the in Jesus Christ, have victor, over the evil temptation of the world (1 John 5:4.

word is tru h." The petition in verse 15 may be said to be a negative one. That in 'his verse is the positive side of the same idea. (Cf. 10:36). The word of God in his Son s the disclorer to men of elernal truth; truth as to his origin, position, destiny, the truth as to his relationship to God himsoff and his Son, Jesus Christ; as himself and his son, Jesus Christ; as to his elationship to brother men, his place here, his hope for the future.

'As thou didst send me into the world, even so sent I them into the world." God's one great concern for the world was that it should be saved; to achieve this tremendous purpose, he sent the Lord Jesus into the world. This same purpose in the heart of God remains today, and it is to this end that Christ sends us info the end that Christ senus us into the world, though of course our work in accomplishing God's plan is not identical with the work that Christ did.

citcal with the work that Christ did.

Ond for their sakes I sanctify myself, that they themselves also may be sanctified in truth." Christ made the truth actual in his own incarnate life, and his victory over sin and over the world, and his own holiness, are to be appropriated by us by the very Spirit of Christ who lives within us.

"Neither for these only do I pray, but for them also that believe on me through their word." The word of the disciples here referred to their work and testimony to the Lord Jesus Christ, the witness which they gave to his saving power. (See 4:39; Acts 1:8, 22).

1:8, 22).

"That they may be all be one; even as thos, Father, art in me. and I in thee, that they also may be in us;

rarrings and bracelets to match, arrings and bracelets to match, and the same shop has one of the owliest beits imaginable — of black wellest beits imaginable — of black used with a big buckle of crystal grapes with spreading leaves of parkling rhinestones.

For months Cary Grant has gone around saying that if his Paramount contract would only come to an end, he would never sign another with anybody. He would just make pictures when he felt like it, and spend the rest of his time lying on the beach at Santa Monica or taking leisurely trips to England. But the state of the complete of the work in the new after watching his work in the new officials didn't like his idea at allimsteps, and

Jack Cohn, the grand mogul of Cotumbia Pictures, so Cary signed the
contract he offered.

Back in New York all the young
stage players and all the dramatic
school students go to see Greta Garbo in "Camille" over and over. Two
girls who are living on a tiny budget that permits eating only now
and then and never riding on a
street car or bus had gone every
day for six days and seen the pic.

1. Question:—'I have a lot of wood ashes. Would it do to put on land now or would it leach out too much? I intend to put it on vegement? Also, can you much? I intend to put it on vege-table and root crops. Also, can you He said it it do hips when nicely up. He said it kept the fly off. Does it help vege-table growth? I used to put it on my cut potatoes to dry or keep them from bleeding as it were, since we had to cut them quite awhile ahead when putting in 10 or 12 acres. I have not been able to get it the last few years."—T. C. F., Peel County.

You would determine the starce of the starce of

Answer:-- I would not advise you o put wood ashes on the land at this to put wood ashes on the land at this time. Too much available plantfood would leach out before growing time. Rather store the wood ashes so that neither rain nor snow can so that neither rain nor snow can fall on it, and in the spring put it on the plowed ground and work it in by discing and harrowing. You are quite right in putting this on vegetable and root crops since it is relatively high in potash. It contains about thirty per cent lime which will tend to keep your soil sweet in reaction.

such as poultry, so any information is please send it to sible. Also is it is manure is too so alone. I undersused without hard shall be very glatiformation." — County.
