Eight-Hour Day Would Raise Many Problems

Wives and Husbands Question Advocacy of an Eight-Hour Day for Housewives

WASHINGTON.—Husbands and wives propounded a one-word question in reply to a question...

"How?" they asked in unison. Mrs. Rosevelt's statement "is we..." suggested Mrs. Blair Brinton...

"But I didn't quite see how the work of a home can be measured in hours," she said. "I didn't think a mother in a million would quit after eight hours if her daughter needed the new dress she was making for a party the next day."

Mrs. Rosevelt's comment she sometimes thinks a wife who does all the housework should be paid a salary brought varied response.

A Litter of 21 Pigs A pure-bred Yorkshire sow belonging to Claude Thompson, Oxford, N.E., gave birth on her farm to a litter of 21. The two-year-old mother and 14 of the newcomers are doing well.

Bold Patch Work For Porch Pillows

Pattern No. 4-S One may use dainty cushions in the boudoir or luxurious ones for the living-room. The pillows for the porch must be gay and bold in design.

One may use dainty cushions in the boudoir or luxurious ones for the living-room. The pillows for the porch must be gay and bold in design.

Frequently it is difficult to find fabrics in designs that carry out the color scheme you wish to use for your porch. Why not make your own designs by piecing materials together in different ways?

The cushion at the upper left is made of striped awning material cut in four triangles. The triangles are pieced together so that the stripes are matched to outer-line, as shown here in the sketch of the finished cushion.
