« News in Brief »

More Ships For Mediterranean LONDON.—The Admiralty has an-nounced that eight more of the navy's west destroyers are due to assemble nouth, preparatory to leaving for the Mediterranean. All are 1,375. ton craft belonging to the fifth destroyer flotilla of the home fleet. They are mounted with 4.7 inch guns and have a top speed of 38 knots.

Shelve Yukon Annexation
OTTAWA. — Premier Pattullo, of
British Columbia, announced this week
end the Dominion Government had concurred in his suggestion that action to include the Yukon Territory within British Columbia's boundaries be held in abeyance until consideration can be given the report of the Royal Commission on Dominion-Pro-

Wed Eighth Time CROWN POINT: Int.—When Mrs. Virginia Overshiner Cogswell, former seventh husband in Chicago last August, she said: "Never again," but this week she annexed her eighth husband. He is Dick Raymond, 30 years old, of

Mrs. Cogswell gave her age as 26 and her home as Peoria.

has extended the lease on his English country home Long Barn, near Sevenoaks, Kent, it was learned this

Last spring he extended the lease for six months, which has now expired. The length of the new extension was not learned, but was under stood to be for six months or a year.

German and Japan Warn

the presiden to remember the "shipwreck" of President Wilson when he sought to safeguard peace for all time through the League of Nations. Japan warned officially that peace may be "difficult to maintain" if demands of the nations which "have not" colonies and raw materials are ignored.

Vittorio Mussolini Leaves for New

York SAN FRANCISCO.—Vittorio Mussolini, son of the Italian dictator, left here this week-end for New York by airplane. Young Mussolini, who had been in Hollywood studying motion picture making, arrived here from Los Angeles, travelling under the name of Wollard. With him were six secret service men. The reason for his de-parture for the East was not disclosed.

Russia Buys Arms In U.S. WASHINGTON.—Soviet Russia was disclosed this week-end to have bought more than \$10,000,000 in arms, muni-tions and implements of war in the United States during September, more than half of which was for war ves-

have been for the first materials and equipment for two battleships which the Moscow Government sought some time ago to buy from the United

Win Little World Series COLUMBUS, Ohio.—Newark Bears, winners of the International League pennant by a 251/2-game margin, deted Columbus Red Birds 10 to 4 for their fourth straight victory to

capture the 1937 Little World Series. four games to three. Sentenced to be Hanged MONTREAL. - Pleading in Exelphat Benoit, 31-year-old ex-convict, was convicted by a King's Bench Court jury this week of murdering Hyacinthe Cote, wealthy Montreal landlord, whose battered body was found July 24 last in a suburban ,eld.

Mr. Justice Wilfrid Lazure sentenced Benoit to be hanged January 14. The Government accused Japan of violating the nine-power pact and also the Briand-Kellogg anti-war treaty. The action was announced in a for-mal statement issued by the State

It came after the League of Nations Assembly had adopted a report of its Far Eastern Advisory Committee, in which Japan was declared the aggressor nation.

Chinese Take Offensive the offensive in a sharp counter-at-tack, the tenth day in the present

hattle for Shanghai. The Chinese surged from their en renchments all along the front from the ruined Chapel native quarter on the edge of the International Settle ment north almost the whole twentyfive miles to Lotien.

Robertson Remanded
LONDON, Ont.—Lauchlin John Rob-

ertson, middle-aged factory worker, accused with 70-year-old Dr. Charles Cline of murder in connection with Mary Wilkinson's death, made a brief court appearance this week, but the Crown was not ready to proceed with the case. He was remanded till a later

Demonstration Against Japan LONDON. — The Government urged this week-end by resolution of 10,000 people to seek means for inter

national co-operation in preventing a continuance of bombing of Chinese civilians by Japanese airmen.

A crowded meeting in Albert Hall adopted the resolution that expressed "horror and condemnation of indiscriminate attacks on non-combatants by Japanese forces in China." by Japanese forces in China."

Gient Goes to Law CHICAGO.—Robert Emerson Wad-low, youthful Alton, Ill. giant, whose case excited medical curiosity so much that the dignified American Medical Journal published an article discuss-ing it, estimated that this scientific

contribution had embarrassed him to the tune of \$150,000. The world's reputedly tallest human—he stands eight feet six inches in his stocking feet, and weighs 425 pounds—alleged public scandal and ridicule disgrace and public hatred, contempt and aversion had been heaped upo him as a result of the article.

Duke Will Make no Speeches LONDON. — Sir Ronald Lindsay. British Ambassador to Washington, has obtained "favorable reaction" om the White House regarding th to the United States, it was said on

excellent authority.

The Duke was said to have agreed during his travels over the United States. The "no speeches" agreement was believed to have been one of the British Cabinet's stipulations efore it sanctioned the visit.

was reported attacked aff the Spanish Mediterranean coast last week.

Canada Criticized

Declaring that Canada lacks national aim and is drifting along without leadership, the former editor of the London Evening Standard before leaving on the return trip to England last week criticized the Dominion for

having a wonderful future which it is not trying to use. "It is a marvellous" country," he said, "but populated by 11,000,000 people content to drift along between Britain and the United States as markets and protectors, without any national plans of its own, no policy to follow. You could be a farm lands with a few cross-road set-tlements lay between the parent
