And Hepburn said: "NO-MR. FARMER" "YES-SIR JAMES"

What has happened to the promises Hepburn made to the farmers of Ontario before he was elected?

Hepburn Promised the Farmers: A special session of the legislature to deal with farm relief problems immediately after the election.

Hepburn Promised the Farmers: Help in improving livestock, grants to help agriculture.

Hepburn Promised the Farmers: He wiped out the Farm Loan Board—stopped bonuses for pure bred sires and grants to junior judging competitions—cut off \$300,000 in grants made by the previous government to aid the farmer.

Hepburn Promised the Farmers: Wider markets and better marketing facilities.

Hepburn Promised the Farmers: He closed the marketing agencies at Montreal, Winnipeg and in the Maritimes—closed Ontario House in London, England, which had created markets thereby increasing Ontario farmers' annual income by \$10,000,000.

Hepburn Promised the Farmers: A string of cold storage warehouses across Ontario, for the benefit of the farmer.

Hepburn Promised the Farmers: Nothing!

Hepburn Promised the Farmers: Reduced taxation.

Hepburn Promised the Farmers: He collected in taxation 80% more than was collected in the last year of the Conservative Government, of which the farmers paid their share.

What is Sauce for the Goose ... Is Sauce for the Gander

BUT—while Mr. Hepburn was saying to the farmer "you must stand on your own feet" and was cutting off \$300,000 in agricultural bonuses, he was passing on a bonus to Sir James Dunn of the Algoma Steel Corporation of almost a like amount of the taxpayers' money.

Agriculture and industry are both vitally necessary to the prosperity and welfare of the Canadian people. The farmer says, however, that "what is sauce for the goose is sauce for the gander—why take away our bonus to bonus Sir James Dunn?"

Department of Health of Ontario

"INFANTILE PARALYSIS" (POLIOMYELITIS)

The Department of Health has a sufficient supply of Convalescent Serum for present demands. This serum is obtained from persons who have previously suffered from an attack of "infantile paralysis".

In anticipation of further requirements the Department now requests that persons who are willing to provide blood for this purpose (donors) register with the medical officer of health in their district.

The Department remunerates donors on the basis of Ten Dollars for 100 cubic centimeters; the usual amount withdrawn from one donor is 200 cubic centimeters. This can be readily obtained without discomfort or ill effects to the donor.

Children under fourteen years of age are not eligible. Persons who have suffered an attack of the disease during the present year are also not eligible. Those persons fourteen years of age and over who have suffered an attack within the past twenty-five years and who show some definite evidence of resulting paralysis, are requested to provide the medical officer of health with their name and address.

Those who have already acted as donors need not register again.

When a clinic is to be held, donors will be notified through their medical officer of health.
