SIDELINE

CALEDONIA — HALDIMAND CHAMPS

The Caledonia team won the Championship of the Haldimand League last Thursday in one of the best games ever played in this league or any other "B" League, defeating Dunville 2-1. Both teams played excellent ball and there was very little to choose between the two squads. Dagleish had the edge in the territorial mound duel that he and Karges waged, but big Jerry was never better. He really looked like a hurler, Thursday. He, however, can thank his infield for never excelled support. They slipped up once and it figured in the scoring, but they made up for that one miscue with a vengeance. Martin was a very versatile short stop all afternoon and his display tended to make one forget Al Johnson, one of the greatest infielders to ever don a Haldimand League uniform. Aub. Smith and the slow moving Irwin were both good but the performance of the afternoon was that of Green at the keystone. The "Cat" secondly a treat to watch him go for them. He was tops. At this time I might mention that Benfield "a native of Cayuga" played a nice steady game and the acquisition of his services has made a world of difference to the Dunville squad.

CALEDONIA TOO WERE GOOD

Because of the much-publicized protest some of the local scribes have attempted to take the glory of victory from the Leonards but it cannot be done so easily. It is true that there are better ways of winning a championship in a committee room, but on the playing field, Olive Dunville the kind of pitching that they received Thursday and they are the second best team in either the Haldimand or Tobacco Belt leagues — and since it is not the team I have in mind for tops. When the time comes, and it will, when some of these towns that have been putting up either Hulton or Wilson, Clarke or someone else, will have the opportunity of a lifetime. One of the localities from which there arose such shrill howls of abuse followed up with a protest that was even more petty. Enough of that. The Leonards were good. They were good as I have ever had the privilege to see them. Dagleish proved himself to be the outstanding hurler of these parts and Clarke was the same player that aroused so much enthusiasm a few years ago. The rest of the team were right on the heels of the battery and special mention was earned by Knight in left field. He earns a big O.K. when outfielders are being rated.

THE J. & W. — HAD YOU FORGOTTEN?

Apparently the Jarvis and Walpole Softball League has been forgotten for another season. For that reason your commentator thought that this

CANADIAN NATIONAL

It would be as good a time as any to choose an All-Star team from the entire league. Perhaps there is another reason for waiting so long to do it. Last year when I picked a Star-spangled squad, I was heckled for months, but I may be able to escape this year. For unknown reasons, here they are: catching, H. Peart (Jarvis 2); Pitching, L. Miller (Jarvis 1); 1st base, C. Dixon (Varency); 2nd base, C. Tweedie (Jarvis 1); 3rd base, E. O'Donnell (Renton); Short Stop, C. Walker (Jarvis 2); Left field, B. Brock (Renton); Centre field, C. O. Mahony (Renton) and Right field, J. Miller (Varency); manager, G. Hill (Jarvis 2). Don't ask me why.

Miss Stallwood is leaving to attend Hamilton Normal School and Mr. Blight left Monday to attend the School of Pharmacy in Toronto at 3 P.M.

If you would know the value of health go to buy yourself some. We'd rather listen to the story of a public hanging than hear the details of an unsuccessful speculation in real estate.

JOHN JOHNSON REMOVED TO HOSPITAL

Mr. John Johnson who has resided a few miles south of Jarvis for many years was removed to St. Joseph's Hospital in Hamilton Monday morning. Although his condition is not serious, he is in a very weakened condition. Unless unforeseen complications set in, Mr. Johnson will be home before long.

ATTENDING PHARMACY

Mr. Leslie Blight, who has concluded his apprenticeship with the Rexall Drug Store here, left on Monday for Toronto, where he will attend the 4th year of College of Pharmacy for the next two years. Les was one of the most popular young men in the Village and will be missed by a wide circle of friends. Good wishes go with him in his pursuit of higher education, and we look for him to be leader in his class when the results are announced from the Ontario College of Pharmacy in 1939.

WEINER ROAST

A very enjoyable evening was spent on the shores of Lake Erie on Thursday September 9th, when the choir of Wesley United Church gathered at a weiner and marshmallow roast to wish Patricia Stallwood and Leslie Blight every success in the future.

The evening was spent singing songs under the direction of Miss Meta MacMurdy, playing games, etc.

Miss Stallwood is leaving to attend Hamilton Normal School and Mr. Blight left Monday to attend the School of Pharmacy in Toronto at 3 P.M.

At present farm commodity prices

ROOFING COSTS LESS TODAY

than in 1933

YEARS TO DAY IMPROVEMENT

Increases in the price of steel have necessitated a slight increase in the cost of metal roofing, but it actually costs you less, relatively, to buy today's 7-12-Lap roofing today than it did in 1933.

Look at these figures. Here is what it cost you in commodities to buy 100 sq. ft. of 7-12-Lap roofing in 1933 as compared to today:

Cost of 100 sq. ft. Roofing	1933	1937
Steel	\$20.00	\$22.00
Wood	4.00	4.50
Oil	1.00	1.25
Roofing Paper	1.00	1.25
Roofing Nails	1.00	1.25
Roofing Labor	1.00	1.25
Total	\$28.00	\$36.25

Write us for details or see your dealer. He will welcome you.

HEPBURN the Tax-Payer's PROVEN Friend

Return Him as PREMIER

- TODAY you have reason to rejoice that you voted Henry out and Hepburn in. The Hepburn administration has replaced mismanagement with good management, extravagance with economy. It has replaced the unbalanced budget with a balanced budget, changed the chronic yearly deficit to a surplus of over 9 million dollars. It has relieved the drain and strain on taxpayers' pocketbooks in many ways. In the year that ended March 31st, 1937, it reduced Ontario's gross debt by \$33,098,165.39.
- Entire cost of Mothers' Allowances was assumed by the Province, a saving to the Municipal Taxpayers of over \$2,100,000 a year.
 - Municipalities' share of Old Age Pensions was taken over by the Province, saving over \$1,000,000 a year.
 - Payment of Pensions to the Blind of \$300,000.
 - Abolition of the Students' examination fees of \$170,000 is another worth-while saving that Mothers and Fathers appreciate.
 - Rates for Hydro-Electric Power have been reduced to users to the extent of \$4,800,000.
 - The Hepburn Government paid relief charges out of current revenue instead of adding them to the Public Debt to be paid for by increased taxes in the future, as was the policy of the former Government.

How You Have Profited by Hepburn's Policies

- Grant, equal to one mill on the dollar, from the Province to every Municipality, has relieved Municipal taxpayers to the extent of \$3,000,000.
- Cancellation of the amusement tax will save patrons of the theatre, sports and other amusements \$3,000,000 a year.
- Ontario is granting a \$5 reduction in Motor Car rates that will save motorists \$2,500,000 a year.
- The Province has cancelled the 20 per cent. levy formerly made upon the Counties toward the cost of King's Highways, a saving to Municipalities of over \$2,700,000 to date, and a further saving this year of \$2,000,000.
- Township Road subsidy was increased to 50 per cent., a saving to townships of \$400,000 per year.

Carry On, Hepburn!

ELECTION OCT. 6
