TWO VIEWS ON THE LIQUOR QUESTION

"THE PROFIT"—says Mr. Hepburn

"THE PEOPLE"—says Mr. Rowe

FOR three years the liquor problem has been out of control in Ontario. Mr. Hepburn, worried by the rising tide of public indignation, now tacitly admits the fact. In acknowledgment of the situation, he makes another typical last-minute, pre-election promise.

But Ontario voters are not going to be fooled again.

"Revenue First"—Hepburn

"Profit" has been Mr. Hepburn's liquor policy ever since he took office. Here are his own words as quoted in the Border Cities Star, Windsor, October 26, 1934:-

"Another thing that the Province requires is revenue. I am informed that since Mr. Odette took office, he has turned over to the Treasury $2,800,000. Let these people point out some other source of revenue. Do they want higher gasoline or corporation tax? Do they want a Provincial Income Tax? It is obvious that if we lose the revenue from the Liquor Control Board, we will have to get it elsewhere."

"People First"—Rowe

Contrast this "liquor for profit" policy with Mr. Rowe's clean-cut stand in the interest of the people.

Mr. Rowe has pledged himself: "I will return to a policy of control by a responsible board, free from political patronage. A survey will be made by the new board of all licensed hotels. I promise you that these mushroom dives which have sprung up and flourished under Hepburn will be closed—and stay closed."

The Conservative Party takes the position that public revenue should not be gained at the expense of decency.

No More Mushroom Dives

When Mr. Rowe is elected, beverage rooms will be confined to standard hotels which respect the law and give adequate service to the public.

Restaurants, taxi offices, rooming houses and hot dog stands will not, by means of a few "jerry-built" changes in construction, be able to qualify as standard hotels.

Beverage rooms will not be forced on communities where they are not wanted. Nor will such places flourish in the shadow of the churches of the Province.

Non-Political Control

Under Conservative administration, by means of a responsible non-political control body, beverage rooms will be so regulated that they will cease to be a blot on the social and moral life of Ontario.

A vote for the Conservative candidate is a vote for this policy of control.

PREMIER M. F HEPBURN

HON. EARL ROWE

The responsibility of leading the Government in the banner Province of the Dominion of Canada will rest with one of the two gentlemen pictured above. Both are farmers and although young men, have had many years of experience in politics. In the Federal as well as the Provincial field. Premier Hepburn speaks at a Liberal rally in Simcoe on Tuesday night, September 28th, while Hon. Earl Rowe will appear on the same platform on Saturday afternoon, October 2. The citizens of this riding will all have an opportunity of hearing the issues of the day discussed by the leaders in the two major political parties.

Traffic Lights Being Erected At Intersection

Work Expected to be Completed by Wednesday

The much talked of traffic lights for the intersection of No. 3 and 6 Highways during the past summer is now a reality. Stop and go signals have been erected on each corner of the intersection with the result that traffic right of ways are rigidly determined for all motorists.

Devices have been laid in the pavement on No. 6 highway, which will change the lights in a certain specified time after an automobile passes over that particular spot. It is understood that traffic proceeding through on No. 3 will have a preference so far as the lights are concerned. The devices laid in the pavement on No 6 however, will give motorists on this highway consideration.

The equipment is of the latest design and similar to that used in the larger cities. The signal light for the motorist is located on the opposite right hand corner, and not overhead as in some municipalities. Local labor was used almost exclusively in the construction work in connection with the job.

Although the need of a stop-go light is not so important at this time of year, citizens locally will be happy in the fact, that some medium has been put into effect whereby serious if not fatal accidents will partly if not wholly be eliminated during the heavy traffic in the summer months.

Warning lights have been erected at the intersection of No. 3 and 24 Highways at Simcoe and it is understood that a warning light will also be erected at the main intersection in Hagersville.

Get wise when you make a mistake; the only crime in making a mistake is making the same one twice.

No man is so ignorant that he does n't know what he would do if he were in your place.

TALLEST CORN STALK

In connection with the "Record's" offer of a years free subscription to the person bringing in the tallest stalk of corn during the past 2 weeks, the prize goes to Miss Lois Lethong who brought in a stalk from the farm of Ernest Rondston, near Garnet, measuring fourteen feet, three and a half inches in length.

Repairs Being Made on Streets

The Dominion Natural Gas Co. are this week putting a new top on the pavement which was broken up this spring for the purpose of laying new pipe lines throughout the business section.

The condition of this section of the street during the past summer has not been such to draw praise from citizens locally, and even with the re-surfacing mixture being applied at present, the former attractiveness of the Main Street will never be regained.

The Gas Co. of course had no other alternative if they were to continue giving fuel service to residents and their method of putting the street back into condition is probably not the best, yet it is the most practical from all points of view.

The Southern Ontario Telephone Company are replacing their telephone poles on the east side of Main Street this week, replacing the poles that have stood for many years with new ones.

It is because there are so many fools in the world that the wise man gets an occasional break.

ENGAGEMENT

Mr. and Mrs. Edmund Payne, of Jarvis, announce the engagement of their eldest daughter, Eva Mercy, to Mr. Archie Donald Ross, eldest son of Mr. and Mrs. A. Ross, Port Dalhousie. The wedding will take place on October 23rd at 2.30 P.M. in St. George's Anglican Church, St Catharines, Ontario.

Rt. Rev. W. L. B. Broughall Conducts Anniversary Service

St. Paul's Anglican Church Services Mark Laying of Corner Stone

Bishop Congratulates Congregation on Work of Renovation

Two impressive services of Thanksgiving were held at St. Paul's Anglican Church last Sunday on the occasion of the Fortieth Anniversary of the laying of the corner stone of the present church, the annual Harvest Home Festival and the re-opening of the church after an extensive rennovation.

The church was beautifully decorated with grain, corn, fruit, vegetables and flowers, and in this approbies and flowers, and in this appropriate setting large congregations joined in worship at both the morning and evening services.

At eleven o'clock there was a celebration of the Holy Communion with the Bishop of the Dioscese, Rt. Rev. W. L. B. Broughall, D.D., as celebrant, assisted by the Rector of the parish, Rev. M. Brett. During his sermon the Bishop congratulated the congregation on the greatly improved appearance of their church and gave an outline of the work that had been done—a new drainage system, one hundred and fifty feet in length was constructed with which to drain the church cellar. The church foundation was strengthened and a part of it rebuilt. The south wall was replastered in several places, and the interior of the church repainted and restenciled. The redeos was varnished, the organ repaired and tuned, new battleship linoleum placed in all the aisles, the red felt doors recovered with dark brown leatherette, and a sign erected at the front of the church, "St. Paul's Church, Jarvis, Anglican." Through the efforts of the congregation and contributions from friends and former parishioners this part of the work has been accomplished without incurring debt.

At the evening service, Rev. Frank Walling, for the past few months in charge of St. Matthew's church, Hamilton, and a former Rector of St. Pauls, was greeted by a new capacity congregation. Mr. Walling also remarked on the greatly enhanced appearance of the church and welcomed Rev. Mr. Evans and Rev. Mr. Holley and the members of their congregations, thanking them for their co-operation and thoughtfulness in with-drawing their evening services so that all might join in the Thanksgiving service at St. Paul's.

At both morning and evening services the choir provided special music.

Among those attending the services who were former members of the church and who are now residing away from Jarvis, included: Mrs. J. Newell and family, of Hamilton: Mr. and Mrs. D. F. Alken and family of Simcoe; Mr. Jeffery Bourne, Mr. Alfred Bourne and Mr. Robert Bourne, of Grimsby.

OBITUARY

DANIEL STEEL

After a prolonged period of indifferent health, Mr. Daniel Steel, the oldest resident of the Village passed away on Thursday evening September 16th, at his home here, in his 89th year.

The deceased was a Carriage Builder by trade which he learned over Sixty-eight years ago. Before entering into partnership here with the late William E. Sowter, he worked with James Elmore, at Rockford and with the late William Chambers. The partnership formed with Mr. Sowter fifty-four years ago, continued for thirty-five years and since dissolution, Mr. Steel carried on himself until the last year or two.

He was active in the business life of the Village and took a great interest in the church. He was of a very quiet disposition, and his friends were legion.

He leaves to mourn his passing, besides his wife, one son, Roy, of Detroit and three grandchildren.

The funeral was held on Sunday last, the service which was at his residence, was conducted by his pastor, Rev. W. J. Holley, of Wesley United Church. Interment was in the Union Cemetery, Hagersville. The pall bearers were: C. S. McCarter, D. C. Allen, E. T. Carter, Andrew Miller, Alex. Duncan and Robert McNeill.

FORMER CONTROLLER J. O. McCARTHY DIES

One New Case In Township

Paralysis Scare Subsiding in District

According to the Medical Officers of Health in the Township of Walpole and the Village of Jarvis, it is very likely that all schools will open for classes next Monday morning. The Pollo situation seems to be well in hand at the present time and it is unlikely any serious situation will develop from now on.

During the past week only one new case has developed in the Township that being Floyd Smith, 13 year old son of Herbert Smith, residing on the Indian Line, east of Hagersville. According to reports the case is not serious and will likely run its course without complications setting in. Two quarantines in the Township will be lifted this week, leaving only the Smith and Biggar cases under quarantine in the Township. Although it is understood that Vivian Biggar is the most serious case yet developed in the district, we have been advised by medical authority that she will effect complete recovery in due time. In questioning Dr Tweedie, M.O.H. for the Township of the fact that the cases in this outbreak do not appear to be as serious in respect to paralysis, he suggests that probably the immediate application of serum is responsible in checking the spread of the germ to the nerve centre which will result in permanent disablement. "That, of course, has not been determined," stated Dr. Tweedie, and other factors entirely unknown to the Medical profession may be responsible. The fact, however, that permanent disabilities will not be as common in this outbreak as in previous outbreaks is sufficient in itself for the public to be very thankful for.

Lea Hoover, son of Mr. and Mrs. E. B. Hoover, of this Village and the only case in the municipality, is making excellent progress. The quarantine on the Hoover home will be lifted a week from to-day.

There have been no new developments on the Scarlet Fever situation locally, and it is quite possible the situation will be cleaned up without any new cases.

Additions Made To Voters' Lists

Nearly 200 Names Added in Jarvis and Walpole

Sessions of the Court of Revision for the Village of Jarvis and the Township of Walpole resulted in nearly 200 names being added to the lists for the coming Provincial Election on October 6th.

In the Village nearly forty names were added to the list of Voters, bringing the total vote in this municipality to 384.

In the Township nearly 180 applications were presented, but in some cases there were duplications. It is conservatively estimated that 150 new names will be added to the Township lists, which will be prepared within the next few days. Approximately 15 names were removed from the Township list at the Court of Revision last Tuesday morning. Judge W. S. West, of Cayuga presided at the sessions.
