To all points in Canada, $1.50 per year in advance. To the United States 50c additional for postage.

Papers are sent to all subscribers until definite instructions are received to discontinue and all arrears of same are paid. The date to which subscription is paid is indicated on address label.

A. L. MILLER, Editor

CHILDREN'S AID SOCIETY ANNUAL MEETING

(Continued from page one)

Married couples in comfortable circumstances with no children of their own can enjoy the thrill of foster-parenthood by taking into their homes an underprivileged child and giving to that child their love and care. There is no human joy or satisfaction to equal the doing of this very thing. There is nothing in this world that more surely brings the blessings of God upon the home than the giving of love and a home to the child in need of such. We see this in every case where it is undertaken in love for the child.

The Dunnville Lions Club have in the past year taken a still keener interest, which has been a great help in our work through their readiness to assist in the crippled children's cases, and those of defective eye-sight, as well as tonsil and adenoid conditions.

We thank the police, Provincial and County, for their kindly co-operation in a helpful way. The members of the Board of Directors have willingly given much of their time and thought to make the work a success. The members of the Women's Institute, Ladies of the Empire, and other organizations deserve special mention for their interest and faithfulness.

We do appreciate the kindly interest and counsel given by His Honor Judge West; Colonel J. C. Massie, Chief Magistrate; Colonel A. A. Winter, Acting Magistrate, and Harrison Arrell, K.C., Crown Attorney.

Very special mention should be made with regard to the service of the women who have children in boarding homes. They provide help less children in the hour of greatest need, ever giving that tender, kind and intelligent care which has in every case brought to the children in question health of body, happiness of mind and a wish for better living. The service they are rendering is of the most outstanding kind.

The work of this Society is a social service work that is unique in character and far reaching in good results. It is founded in social legislation, and carried on by and with the authority of a special government department. There is no other that can take the place of the Children's Aid Society. It gives a service to the friendless, homeless and under-privileged child which only the Society is equipped to give.

Service rendered the child in need is a service given to Christ Himself, and should therefore be the best that can be given. It is a sad fact that some parents of children fail in their appreciation of their responsibilities and opportunities, and fail so seriously that they neglect their children, in many cases physically, mentally, and also spiritually. Such children need a helping hand. If they have been in such homes for a number of years and have acquired bad habits and wrong ways of living patience, sympathy and understanding is required on all offices and helpers in connection with the work, because, regardless of how frequent a child has become as the result of bad home life and neglect, that child has a heart, and a heart that will always respond to love and sympathy. The normal child loves being trusted, and confidence in the growing boy or girl brings a response of the finest kind, accomplishing infinitely more in the building of good character than could ever be done by scolding, threatening or thrashing. Why should the friendless, neglected child not be loved and cared for with patience and sympathy? He is just as important as any other child in the sight of God, and the potential value of every normal child is far beyond any human comprehension. Who knows but that the under-privileged child to whom you have shown kindness and given a helping hand may some day become an illustrious leader and benefactor to the human race? Many an under privileged boy or girl we have helped has become a self-supporting citizen and a blessing to society, whereas the child who was neglected and allowed to drift into crime may easily come to a point where he becomes an enemy of society and may have to be kept locked up where he remains a burden to the country through most of his natural life. It is less expensive to save a child than to punish a criminal, therefore it is often less expensive to the municipality to prevent children from becoming criminals. This is a great and important feature of our work, the protection of the child.

You will observe in the statistical statement that family case work formed a heavy part of our work during the past year. Families have thus come under the beneficial influence of this Society, and the children greatly benefited without their having to be removed from their own homes.

This phase of the work pays the municipality in human dividends far beyond that which can be shown by any statistical report. This report is practically all that there is time for at this annual meeting. The work in the County has made it necessary to add a part-time worker to the staff in addition to the Local Superintendent and Office Secretary.

Under the Adoption Act we have witnessed some very touching scenes when the foster parents receive the final adoption order which makes them the legal guardians, and they have the same legal status as if the children were born to them.

The Children of Unmarried Parents Act takes much of our time. Prior to 1921, when this act was brought into effect, the lot of the unmarried mother was hard, and the child was in danger at times of being hidden away in places where it would be grossly neglected, perhaps allowed to die, or else it would become a charge on the municipality. Conditions have been greatly improved by this Act, the municipality saved much expense, and the child is given a much greater chance of life.

We wish to express our sincere gratitude and appreciation to our Office Secretary, Miss Betty Congdon. Her work of routine clerical duties has won the praise of the Field Supervisor.

To one and all of our friends we say a sincere "Thank You" for your constructive criticism as well as your sympathetic co-operation.

Herewith we attach our statistical report, and R. BILGER
Treasurer's Report.

This report was followed by the treasurer's report, which read:

President Miller thanked and warmly congratulated the Local Superintendent, and the Treasurer on their work, and asked Col. J. Massie to introduce the guest speaker.

Col. Massie, in a brief introduction spoke on the varied experiences of Magistrate Burbridge in Juvenile Court work in the City of Hamilton and of his keen understanding of the youthful mind. Magistrate Burbridge has been president of the Magistrate's Association for the past six years, and so great is the confidence of the members in him, that no one will run against him.

Magistrate Burbridge, whose address held the interest of his audience from start to finish and was a revelation to all who were permitted to hear it.

He dealt with juvenile delinquency and showed in terse, clean sentences how the juvenile and adult careers were closely interlocked and the need to search deeply for the cause before cure could be attempted.

President Miller in thanking Magistrate Burbridge said that when a man spoke from his active experiences as had the speaker at this meeting, his listeners saw the real thing rather than a picture thrown on a curtain. Mr. Harrison Arrell, K.C. in proposing a vote of thanks, spoke of the importance of the work of a juvenile court judge. The business of dealing with people's life and liberty was undergoing many changes, and we are living in a day of experts in every line of endeavor. Mrs. K. P. Peart, of Cayuga, seconded the vote of thanks.

Inspector J. L. Mitchener, P.S.I., presented the report of the nominating committee, who met later, and the following officers were elected for 1938:

Hon. Presidents — M. C. Senn, S. West, Col. J. C. Massie.

President — Sheriff R. F. Miller, Cayuga.

First Vice President: — S. B. Harrison, Hagersville.

2nd Vice President — Mrs. W. P. Peart, Cayuga.

Secretary — C. R. Bilger, Dunnville.

Treasurer — Geo. P. Brown, Dunnville.

Local Superintendent — C. R. Bilger.

Auditors — J. J. Parsons, Jarvis, Wm. Strong, Canboro.

Board of Directors — D. L. Dick, Caledonia; Gordon Millett, Jarvis; J. L. Mitchener, Cayuga; Vernon Bate, Dunn.

Hon. Solicitor — Harrison Arrell, K.C., Caledonia.

CHIEF OF G MEN'S STORY OF A BOY SCOUT TROOP

In a newspaper interview regarding the value of such organizations as the Boy Scouts, J. Edgar Hoover, Chief of the famous "G" Men of the U.S. Federal Bureau of Investigation, described the case of a gang of boys which was at one time a source of trouble in Topeka, Kansas. The boys finally were organized into a Scout Troop and all but one, who "Wouldn't be a sissy." The four-up to be useful and respected citizens, declared Mr. Hoover. The young man who refused to join was Melvin Karpis, who became American Public Enemy No. 1, and now is serving a life term in Alcatraz penitentiary for his part in a kidnapping."

NOVA SCOTIA SCOUTS' TOBOGGAN SLIDE PATROL

The vigilance of some thirty Yarmouth, N.S., Boy Scouts assigned by the police to patrol tobogganing and sledding on various hills of the city during a spring icy spell, was credited by Chief of Police Bain. One watchful Scout leaped on a sled and turned it from the path of a rapidly approaching motorcar, and another prevented a sleigh from running into a train at a railroad crossing.

SPEEDING DOWN -:- THE -:- SPORTS TRAIL

By A.R.P.

It's not often we have a ball game and a hockey game on the same day but such was the case last Tuesday when the National League held it's opening games following the American League "openers" on the previous day and a few hours later two Junior hockey clubs battled for the Memorial Cup.

—:—

Sport fans to-day have their eyes centered on two of baseball's 'greats' "Dizzy" Dean and Joe DiMaggio. In a deal which sent pitchers Curt Davis and Clyde Shoun and outfielder George Stainback and $185,000 in cash to the St. Louis Cardinals, Diz was sold to the Chicago Cubs.

—:—

When the Cubs were informed of the deal they were jubilant and the exchange strengthened their pennant hopes as well as the team itself.

—:—

The owners of both clubs were satisfied with the deal. The Cubs are glad to have Dean because he will strengthen their pitching staff not a little and he is one of the game's greatest drawing cards. The Cardinals on the other hand welcomed the swap" because they received the second highest price ever payed for a player plus three players.

—:—

Dean and the Cardinal owners could never "hit it off" but the former should pile up plenty of victories now that he is with new mates in a different stable. If Dizzy fails to come through as expected, the Cubs will certainly be disappointed as well as out of the pennant race.

—:—

The other question mark in the minds of all baseball minded fans is the powerful Yankie machine, which without Di Maggio, fails to show its scoring punch.

—:—

This young ambitious who led the league in homers last year is holding out for $40 000 this year, which is top salary in the league. Col. Jake Ruppert vows that $35,000 is the most he'll pay his young star, and Di Maggio missed the opening game for the third straight year. For each game Joe misses he will also miss $162. from his salary but this does not seem to bother the Yankie star one little particle.

—:—

With Dizzy Dean now on the Chicago Cub's roster, the odds are three to two favouring the Cub's chances of capturing the pennant. The Giants were favorites but are now in second position with the Cardinals holding third.

—:—

A decisive seven to one win over Oshawa Generals Tuesday night gave the St. Boniface Seals the Memorial Cup. Before the game Wilbert Stancwiki, that star rearguardsman of the Seals and Reay, a forward were offered $150. and $50. respectively if they would "throw" the game and let the Generals win, but the two kids, won by the way may have professional ambitions and them next season, played one of the best games they have offered in the series and took the title easily.

—:—

The largest crowd to witness a hockey game in Maple Leaf Gardens saw the ever powerful St. Boniface sextet pile up a commanding lead in the early part of the game and then gradually increase the lead to take the Junior A title.

—:—

15,617 customers were on hand. This attendance shatters the mark previously set by the Leafs a few weeks ago.

—:—

Juvenile baseball practice to-morrow evening. Any player looking forward to a berth on the team this coming season is invited for a try-out.

We also recommend that the Warden and Treasurer sign a note for the Good Roads account for $1,000 and a note for $17,50 0for the General Account.

All of which is respectfully submitted.

(sgd.) LEA MARSHALL, Chairman pro tem.

Moved by Councillor Martindale, seconded by Councillor Miller, that the report of the Finance Committee be adopted as read. Carried.

Moved by Councillor Huber, seconded by Councillor Brown, that a By-Law be introduced and read a first time, appointing John Schwanz as Corn Borer Inspector for 1938. Carried.

Moved by Councillor Brown, seconded by Councillor Martindale, that the by-law appointing John Schwanz Corn Borer Inspector for 1938 be read a second time. Carried.

Moved by Councillor McKay, seconded by Councillor Bird, that the by-law appointing John Schwanz Corn Borer Inspector for 1938 be read a third time, signed, sealed and numbered and entitled a by-law as in the original motion. Carried.

Moved by Councillor Huber, seconded by Councillor Bird, that a By-Law be introduced and read a first time, authorizing the Warden and Treasurer to sign a plan and description of the lands taken for the purpose of widening County Road No. 16 of the Township of Seneca and authorizing the County Road Superintendent to deposit said plan and description of land in the Registry Office for the County of Haldimand Carried.

Moved by Councillor Dennis, seconded by Councillor Chalmers, that the by-law authorizing the Warden and Treasurer to sign a plan and description of lands in the Township of Seneca and authorizing the Superintendent to deposit same in the Registry Office, be read a second time Carried.

Moved by Councillor Emerson, seconded by Councillor Sundy, that the by-law authorizing the Warden and Treasurer to sign a plan and description of lands taken for the purpose of widening County Road No. 16 in the Township of Seneca and authorizing the County Road Superintendent to deposit the said plan and description of land in the Registry Office for the County of Haldimand, be read a third time, signed sealed and numbered and entitled a by-law as in the original motion. Carried.

Moved by Councillor Parkinson, seconded by Councillor Sundy, that we go into committee of the Whole with the Warden in the chair. Carried.

Moved by Councillor Bird, seconded by Councillor Sundy, that we resume business with the Warden in the Chair. Carried.

Moved by Councillor Huber, seconded by Councillor Sundy, that the report of the Committee of the Whole be received and read. Carried.

ROAD COMMITTEE REPORT

To the Warden and Members of the County Council:

Gentlemen:— Your Good Roads Committee begs leave to report and recommend as follows:

We have examined the pay lists and accounts submitted by the Sup erintendent, amounting to $1867.97 and recommend that they be paid

2. That, due to the open weather during the months of February and to date, some of the stone and gravel roads are being seriously damaged. These roads will require considerable surfacing during the coming season and in the meantime stone is being added as weather permits so as to maintain them during the spring season in as good a condition as possible.

3. That a by-law be introduced at this meeting of the County Council authorizing the Warden and Treasurer to sign the land plans showing the widening of Road 16 from Seneca Station to Empire so that these plans may be deposited in the Registry Office.

4. That advertisements have been inserted in the Toronto and local papers calling for tenders for the quarrying, crushing and screening of stone; the trucking of stone; the supplying of liquid bituminous binders. Portland cement, calcium chloride, lumber, timber piles, posts and other materials, as well as the spraying of bituminous binders, all for the coming construction season.

5. That your Committee purposes meetings on Monday, March 28th, to consider these tenders and that they be authorized to act in the placing of such contracts and the purchasing of such materials.

6. That the half load law, governing traffic during the months of March and April, be rigidly enforced

All of which is respectfully submitted.

(sgd.) LLOYD HUBER, Chairman.

Moved by Councillor Chalmers, seconded by Councillor Marshall, that the report of the Good Roads Committee be adopted. Carried.

Moved by Councillor Coverdale, seconded by Councillor Cornell, that whereas the road known as the Dedrey Side Road, running northerly from Highway No. 3 at Canfield, to Blackheath, has been administered by the Department of Highways as a Provincial Highway for four years without any construction other than grading and culverts having been carried out. AND WHEREAS the condition of this road, as a result, is such as that in the spring and fall time it is almost impassible, and is at no time in a satisfactory condition to carry the considerable traffic which normally travels this route.

AND WHEREAS many of the residents of Haldimand County are seriously inconvenienced and put to a great deal of extra expense by the unserviceable condition of this road.

THEREFORE, this Council is of the opinion that the Department of Highways should proceed with the paving of this road at the earliest possible moment. And that a copy of this resolution be forwarded to Mr. T. B. McQuesten, Minister of Highways and to Mr. Eric Cross, the road representative urgently requesting that this action be taken. Carried.

Moved by Councillor Bird, second by Councillor McKay that we do now adjourn to meet again on April 4th at 10 A.M. Carried.

HARRISON ARRELL, Clerk.
VERNON BATE, Wardea.

April 16th — On Good Friday afternoon was the scene of a quiet but pretty wedding at the home of Harry and Mrs. Martin, their elder daughter, Margaret J. became the bride of Kenneth Lefler, son of Leo and Mrs. Lefler, all of Waterford. The bride entering the drawing room leaning on the arm of her father, promptly at four thirty P.M. to the strains of Lohengrin's wedding march, played by her sister, Miss Amelia Martin, who later took her place beside the bride as bridesmaid. The ceremony was performed by the Rev. J. A. Diltz, of the United Church. The bride was lovely in pale blue silk lace over blue silk pepium effect, with silver girdle and a bandeau of silver flowers, also silver slippers. The brides maid was correspongingly attired in pink lace over pink silk with gold girdle, a bandeau of gold flowers and gold slippers. The bride carried Butterfly roses and fern while the bridesmaid carried talisman roses with fern. The groom was supported by his cousin, Leonard Robins, Woodstock. Following the ceremony a reception was held, the mothers of the contracting parties assisting. The brides mother, Mrs. Martin was lovely in a floral navy crepe and Mrs. Lefler the groom's mother, was charming in navy sheer crepe wearing a corsage of red roses and fern. A buffet luncheon was served from a table overspread with an Irish linen cutwork cloth with tatted edge all hand made, centered by a three tier wedding cake, pink taper in silver holders at either end also spring flowers. The ceremony took place under a huge wedding bell and pink streamers.

The happy couple left immediately following the luncheon for Wind sor and Detroit. The bride chose for travelling a navy blue tailored suit with lace blouse and other matching accessories. On their return Mr. and Mrs. Lefler will reside at the Hare aaprtments on North Main Street.

HITLER KILLS SCOUTING IN AUSTRIA

As anticipated, one of the early acts of Hitler in assuming control of Austria, was to disband and prohibit the Austrian Boy Scouts Association, the Oesterreichischer Pfad finderbound. In the past Austrian Boy Scouts and leaders have figured prominently in international Scout gatherings.

GRIZZLIES INCREASE IN CANADIAN ROCKIES

Big Bears Never Attack Man Without Provocation, says Fred Brewster.

As a result of the Government bag limit on grizzlies — hunters are now allowed only one bear — the animals are increasing in the Canadian Rockies. So says Fred Brewster, speaking particularly
