WEED AND SEED MEETINGS

Good Attendance

The Weed and Seed meetings held in conjunction with the County Week were well attended.

At the first two held at Mrs. Fred Moore's farm, Seneca township, and the Spring farm in Sunn township, plots were to be seen.

The last meeting was held at the farm of Mr. Ed. Nagel in Rainham township which in addition to a chemical spraying demonstration and talk on weeds by Mr. McLeod, a most interesting illustrated address was given by Dr. O. McConkey, of the Crops Department, G. A. College.

AROIVING REPORTER LOOKS AT LIFE

TOUR LAND AND MY LAND

It is not often that the Aroiving Reporter gets disgusted with people. He is not often that he is made to feel that his life is being lived in a way that is not his own.

When we cross the border into our neighboring country we are not living in the same world. We walk the same streets, we breathe the same air, we see the same things.

When we are young we are not conscious of the army or our own battalions. We are not conscious of the government and the substitution of a Fascist, Nazi or Communist State.

Next time you hear someone whine and snarl and criticize this country, remember that you are not alone. You are part of a whole.
