Mode For Autumn Will Be Colourful

Even Coats Are Bright; Red Rust, Wine and Grape Popular

NEW YORK .- Maybe we'll be gayer in autumn, says a heading. But we were gay in the spring and all summer long. We're glad, however, that color will be worn during the autumn and winter. Color helps to uplift spirits, which may be depressed by too much black, even though black is always smart.

Not One Black Costume A fashion show was staged re cently-all coats and suits-and not one black model among them! A red rust was a favorite shade. Wine and grape are receiving a good deal of attention, and following them are "purple plum," deep laurel green, slate blue and brown. Coats are seen in both fitted and straight models, the fitted models
