EDITATIONS FROM THE EDITOR'S DESK

Every municipality elects a representative body to the business of the municipality every year, every citizen with the right to vote has the right to be heard.

At a regular meeting of the United Church Young Peoples Society on Tuesday night gave evidence of the fact that the Young People take more than a casual interest in the affairs of Government.

The Government suffered defeat on the vote when the opposition gained the support of the House by 21 to 15.

Of course the critics are us. We are the critics under no circumstances. We are the critics who are responsible for the public spirited and willing position on the Council as representatives of the citizens.

Do they have to scribble their own names on the ballot? Or is it that we are called to appreciate their task and to appreciate their task and to appreciate their task?

Do they have to scribble their own names on the ballot? Or is it that we are called to appreciate their task and to appreciate their task?

Trade Board to Put up Street Decorations

Colored Lights Will Adorn Christmas Trees Throughout Business Section

Following the practice which met with such general approval last year the Jarvis Board of Trade plan to put up Christmas trees throughout the business section again this year.

The executive of the Board decided the event the night of the 23rd in the town hall for the kiddies arranged for the appearance of Santa Claus at in previous years. It was pointed out that the Churches provide this entertainment for the kiddies and it would be only a duplication of activity for the Board of Trade to sponsor a similar event.

The meeting was held at the home of Mrs. Wm. Kattice with Twenty-four delegates on the sponsorship of the Ontario Department of Agriculture, Agricultural Representatives, who are in charge of the course. Some 148 boys are in attendance. They will receive 300 hours of actual instruction before final is written to the course.

Other subjects which are taken up in equal detail include: Farm Statistics, Poultry, Veterinary Science, Fruit and Vegetable growing, Floriculture, Soils and Fertilizers, Elements of Physics and Chemistry, Planting and Land Surveying, Farm Mechanics, Gas Engines and Farm Tractors, Agricultural Botany, Economic Entomology, Bacteriology, Farm Management, Civic Marketing, Agriculture, Farm Forestry, English and Mathematics Business and Finance.
