SPEEDING DOWN -:- SPORTS TRAIL

By A.R.P.

The Jarvis Juveniles took better every time out. The blue shirts took the ice for the second really good practice session on Monday night. Speed was hindered by the lack of good ice but there was plenty of stick handling ability to be found

Coach Tweedie took over the reins and seems to have his line-up pretty well settled. The Blue Bombers have yet to locate a steady netminder. Although there are several contenders for this position, none are classed as outstanding. Porter, Miller, Leathong and Hazlett are a few of the goal tenders trying to land the regular position.

Porter, goal tender of former years, will have to be plenty "hot" if he has any intentions of nosing out these other boys. Miller took a turn at netminding on Monday and outshone the veteran Porter, although the former was said to have his share of luck. With a little coaching Miller should develop into a star goalie. He has a habit of leaving his net too often, but Turk Brooks and this same fault and he's doing alright for himself.

We also had the privilege of watching Hazlett as he worked behind the pads. We like his work better than either of the other two especially in close quarters. Roy is fast on his feet and likes nothing better than a wild scrimmage in front of the net. His greatest fault is handling long shots but a little more practice will make a great difference here.

They tell us Leathong has been practising in Waterford and is making a name for himself in that locality. This lad has plenty of class in front of the nets but class will not take him very far if he hasn't the goods to go with it.

Another player, Joe Johnson, would strengthen the first line should he return to this town. This would also strengthen the second line as that would send brother Bob to the second line and this line could use a little of that extra power.

The Bombers will have a two hour practice on Thursday and the following night the Tweedlemen make a trip to Cayuga where they hook up with the Juveniles in that town. The boys are expecting plenty of support in this game so don't disappoint them.

The Leafs have yet to pull through with a win over the Boston Bruins. The Bruins took their third game from the Leafs on Tuesday six to three.

The first game between these two clubs ended in a three to two win for the Bruins and then a three to one win in Boston. Rangers and Amerks battled to a five all tie and the luckless Detroiters plank the Canadiens three to nothing in Montreal.

Well, take a trip to Cayuga Friday evening and help the Jarvis boys win their first game of the season.

Music of Many Races

Canadian Mosaic, illustrated with the music of the many races settled in Canada, will be the subject of a series of ten broadcasts which will be produced by J. Murray Gibbon, general publicity agent, Canadian Pacific Railway for the network of the Canadian Broadcasting Corporation on Sundays, commencing January 2. Frances James, one of Canada's leading sopranos, will be the soloist interpreting songs specially written on Canadian themes to tunes which have been brought to this country by the races in question—French, Scots, English, Irish, Welsh, Scandinavian, German, Ukrainian, Polish, Czecho-Slovak, Finnish, etc. The Toronto Conservatory String Quartette under the leadership of Elie Spivak will contribute instrumental music by the outstanding composers of the races in question.

The idea of this series of broadcasts is to create a better understanding of the contribution made to Canadian culture by the various racial groups in Canada, and may be considered as an interesting sequence to the Folk Song Festivals organized at various points in Canada some years ago by the company. The time for the broadcast will be 7.30 to 8.00, E.S.T., 8.30-9.00, A.S.T., 6.30-7.00 C.S.T., 5.30-6.00 Mountain Time and 4.30-5.00 P.S.T.

The layout shows Mr. Gibbon, Miss James, and Elie Spivak in rehearsal, and insert are Leo Smith, Harold Sumberg, Elie Spivak and Cecil Figelsky members of the Toronto Conservatory String Quartette.
