SPEDDING DOWN

THE SPORTS TRAIL

By A.F.P.
Jimmy Bradcock was given a somewhat dubious decision on Tommy Farr last Friday night.

Bradcock, who, taking the loser's end of the first eight rounds, came out of his shell and led to Farr for the last two...

Farr believing he had won, became so aggravated with everything in general but particularly with the judge, refused to pose with Bradcock for the cameramen...

"Of course I thought a 'win' he had hit me. 'Want don't a man have to do to get a decision, kick somebody?'"

The Boxing Commission has no desire to see either Farr or Schmelling win the crown for fear the championship would leave the country...

The Blue Bombers are certainly blue these days. After losing to the Delhi juveniles by an eight-to-two count, can you blame them?

The Bombers were certainly blue Monday but they do not seem so favorable for the future...

Well, the local lead-in team got away on the wrong foot losing three tournaments in three starts...

Since it seems impossible to arouse any interest in a town league...

THE REMEDY for talkativeness is to put a strict seal upon one's lips coupled with a firm resolution...

WORD-STUDY is thought-study in symbol. As you ponder a series of well-chosen words...

Blooms More Beautifully Than In Summer

The Twin-Sister bush seen in the foreground, appeared in all its glory last Friday morning...

The minutes of S.S. No. 10, show a great divergence of opinion existing regarding the choosing of a site and building for improved educational facilities...

Apparently there existed a great divergence of opinion as to a suitable site because no action was taken from this meeting...

Moved by John Ross and seconded by John Henning, Secretary, that the trustees take their check...

However no action was taken that year for at the next annual meeting held on January 9th, 1871...
