held the first Thursday in each month. Mrs. G. L. Miller was elected first President, Mrs. Frank Saunders, first Vice President and Mrs. D. Parkinson, Secretary Treasurer and District Director. The organization has carried on continuously since that time. Thirteen presidents and eleven Secretary Treasurers have held office. The membership increased from eighteen charter members to fifty-two members in Nineteen Hundred and seventeen. Other branches have been organized in neighboring districts which has reduced this total, but for a number of years an average of Thirty members has been minitained Of the original eighteen members, seven have been listed continuously seven have moved from the community, three have passed to the Great Beyond and one, still in the community, ceased active participation.

WHAT TO EAT TO BE HEALTHY

Vitamin A is essential for the health of the mucous membranes of the eyes, nose, throat, sinuses, bronchial tubes, oesophagus, stomach, intestinal track, and the genito-univary passaces.

The lack of Vitamin A in the diet causes eye trouble and tendency to infections.

The following foods give you vitamin A: Pasteurized milk cream and butter, colored vegetables such as spinach, carrots, leaf lettuce, eggs, liver and kidney.

The distribution of vitamin A is very wide, and it is also very abundant. If your diet contains a pint of pasteurized milk a day, butter and two vegetables besides potato, as well as an egg a day, you will certainly be receiving an adequate supply of vitamin A.

Vitamins B1 and B2 are necessary for the nerves, skin, and the starches in the body.

The lack of vitamins B1 and B2 results in neuritis. A lack of these vitamins also results in constipation The lack of vitamins B1 and B2 results in neuritis. Breeders of the black and white together with their friends to the number of approximately four hundred gathered at Edsall's Park, Peacock Point, on the shores of Lake Erie in Haldimand County on Saturday, June 11th, for their annual picnic. It was decided this year that this picnic should take the form of a joint affair between the two clubs and the results were so satisfactory that it is anticipated that the same arrangements will hold true again.

WITH ONE SIDED WIN

cehan Leads Way to Victory With Four Lusty Hits

their fourth in five starts when Garnet swamped them to the tune of
Thirteen to One.

Garnet collected thirteen hits including a homer, triple and a pair
of doubles. Varency could only secure three hits off Phibbs and Fearman combined.

With the score three to one, for
Garnet and Varency having two men
on, Parkinson lined out what looked
to be a certain hit, but the ball careened off McMurchy's glove into the
hands of the second baseman. This
resulted in a double play and proved
the turning point in the game.

Nine Inning Win Over Jarvis (1)

Jackson Motors took an eight to
six decision from Jarvis (1) in a
keenly contested exhibition game on
Tuesday night. The Simcoe nine
took the lead in the early stages of
the game and while Jarvis finished
strongly, they failed to rally soon
enough. Aside from the fact that
the visitors committed four errors to
the local's one, the game was mainly
a pitcher's battle. Simcoe started
off with a barrage of hits but, after
the fourth inning, Mill: warmed up
to his task and allowed but one safe
ty. The Simcoe hurler, on the other
hand, held the Jarvis batters baffled
until the fourth frame, but from this
point on, the locals began to connect
to such an extent that they came
close to tying the score.
