HALDIMAND HISTORICAL

The March meeting of this Society was presided over by Sheriff R. F. Miller, who after disposing of the regular routine business, introduced the Guest Speaker, Mr. Henry Smith Johnston, of Simcoe, who delighted us with a very comprehensive resume of the history of Vittoria and its vicinity. The events of the past one hundred and forty years were portrayed and the men whose force of character made them the motive power which made Long Point Settlement so prominent and Vittoria the centre of London District. A procession of splendid men those pioneers who carved out farms, filled places of high honour in the judicial and educational life of the district, the establishment of churches and schools, of business and manufacturing enterprises, the time that Vittoria whose post office was the ninth establishment in Upper Canada became the most flourishing centre of the district.

Then the forces which gradually made for it's decline. The court house burned, after which London became the district capital. Simcoe was selected as the county town being a little more central. The grammar school was removed to London, the registry office to the county seat. Until today a contented cultured group of people quietly enjoy one another's society, maintain their excellent schools and churches and amid their beautiful surroundings enjoy all that is best in the life of today and proudly reflect upon the contribution they have made not only to Norfolk County and London District and the Can ada West of yesterday, out to Ontar in as a whole. You'll be interested in seeing the new models. MODEL F-79

**Home Owners!** 

AT THIS PARTICULAR SEASON OF THE YEAR THE FIRE HAZARD FROM DEFEC-TIVE CHIMNEYS IS AT ITS HEIGHT. A GREAT MANY CITIZENS THOUGHTLESSLY NEGLECT TO ASCERTAIN THE CONDITION OF THEIR CHIMNEYS WITH RESPECT TO SAFETY. THE HAZARD IS INCREASED WHEN A WOOD OR COAL STOVE IS PUT UP FOR THE WINTER MONTHS IN PLACE OF A GAS STOVE. AS THE GAS DETERIOR-ATES THE MATERIAL OF THE CHIMNEY AND FORMS DEPOSITS SUSCEPTIBLE TO COMBUSTION WHICH MIGHT EASILY IG-NITE FROM A SPARK.

IN AN EFFORT TO AVOID THE CONSE-QUENCES THAT MIGHT EASILY RESULT FROM SUCH CONDITIONS, I WOULD RES-PECTFULLY ASK ALL CITIZENS TO HAVE THEIR CHIMNEYS INSPECTED AND TO AVOID THE LOSSES BEING SUFFERED BY MANY HOME OWNERS AT THIS PARTICU-LAR TIME OF YEAR.

Yours sincerely,

W. J. Elliott, FIRE CHEIF
