# SPEEDING DOWN THE SPORTS TRAIL

By A.R.P.

An All-Star softball game the Twenty-Fourth of May? We cannot see where it could do any harm. The stars in town versus the Walpole stars should make a very even contest and by stacking them up this way I think the fans would enjoy the game far greater than just too picked clubs.

From town we have such performers as Herman Pess, Laird Miller, Gene Hoover, Dr. Tweedie, J. C. Walker, Jimmy Wasserman, Stan Mitchell, G. B. Hill, G. Saunders, Frank O'Donnell and Hughie Montgomery. From the country or Walpole district we find Hubert Saunders, J. Banks, B. Stader, B. Meenan and two or three players from Nanticoke. If you think for a minute such a game would not go over too well, you're not a true Jarvis and Walpole Softball fan.

This matter is entirely up to the players themselves and we would like to hear from them in order to get a line on their views of the matter. This game does not have to be played on the annual celebration before the season is far spent and it adds to the enthusiasm of the fans in future games.

NANTICOKE W.I.

The May meeting of the Nanticoke W.I. met at the home of Mrs. Albert Evans on Thursday afternoon. Mrs. Fred Pratten opened the meeting in the usual manner.

Mrs. Jas. Hallam read the minutes of the last meeting. The school fair will be held at Nanticoke with Nanticoke W.I. looking after booth privileges. The motto was read and discussed by the members. Mrs. Ed. Carpenter played for a song. Miss Velma Evans sang "Good Night Angel." The roll call was answered with "What Constitutes an Ideal Mother." Mrs. Freeman Fields read a paper on Farm Trees and Gardens and How to Look After Them.

The meeting closed with "God Save the King." Bulbs, seeds and plants were exchanged. Mrs. Jas. Hallam gave a hearty vote of thanks to our hostess.

Miss Pearl Jackson and Miss Ruth Banfield are attending a Girls Conference at Guelph.

The June meeting will be held at the home of Mrs. Jas. Hallam.

After seeing Jarvis (2) in action it's not hard to tell why they should walk away with the Tip Top silverware. At least five members of their club would find it not too difficult in catching the All-Star team, but until we have seen more teams on the clay, maybe we hadn't better toss to many orchids in their way.

And until we have heard the sound of wood on leather again we had better tag along with the soft-bailers until next week.

Ernest Evans on going out to see what catch he might find in a trap he had set, found only the front feet and legs of a large rat, while in evidence had been chewed off which we understand is a very rare thing for a rat to do. So somewhere a rat lost with both front legs chewed off.

A number of ladies were entertained on Wednesday afternoon by Mrs. A. McGregor in honor of her daughter, Mrs. Peter Lawson, of Coma Bay, Quebec.

May 16 — Thomas Edward McKee of Mount Hamilton, formerly of Naber, died at his home in Hamilton after a brief illness. He was born near Bealton and was a son of Mrs. Wm. Milligan, Brantford and the late Thomas McKene. He is survived by his widow and aged mother, one son at home, also one brother, Frank, Hagersville and two sisters, Mrs. M. Burbridge, Hagersville and Mrs. Norman Gooch, Trenton.

A large crowd attended the amateur show sponsored by the contestants at the arena. Program consisted of about thirty amateur acts under direction of W. J. Feldkamp, Brantford. There were singers, old time fiddlers, tap dancers, yodlers, violinists and guitar playing. They were present from far and near and the judges had a hard time deciding. The first prize was given to Eleanor Rossie, violinist, second, Yerna Marks and the Lowe Bros., third, Betty Carter, tap dancing. The unsuccessful amateurs were all given small gifts. During the judging Mr. Feldkamp led the community singing with Mrs. N. MacDonald at the piano.

A large number of the members of the Ladies Aid of the Baptist Church took advantage of the invitation of Mrs. Fred V. Savage and Mrs. Reg. Smith. The guest speaker was Miss Mabel Savage, R.N. and gave a very interesting talk on True Experiences of a nurse in training. Refreshments were served by Mrs. C. D. Robinson and Mrs. Hugh McMartin.

Mr. Simon Myerscough who is in his Ninety-sixth year, is spending his declining years with his son, William Myerscough, near Waterford. He was born in England and came to Canada with his parents when four years of age. When a young man he married Margaret Brooks, who died fourteen years ago. Mr. Myerscough is very progressive in his ideas and a staunch Liberal. He was the first man in this district to drive and operate the Edison Steam Engine. For twenty-five years he was occupied in threshing. The rest of his time was spent in farming. Frowning the adage early to bed and early to rise, as his habit was going to bed and rising with the sun. To this he attributes his keen eyesight. He has never worn glasses and can readily see with out artificial aid. He says he was among the first to own and drive an automobile, which practice he was advised to discontinue only five years ago. It is a grievous point with him, now that he is no longer able to procure a car license. He has an extremely alert mind and was always popular for his executive ability. Last Christmas he went shopping and purchased Christmas gifts for his entire family. Nothing pleases this octogenarian more than being in the garden and when he gets tired he sits on a chair and hoes as far as he can reach, then moves his chair to continue his work. He never worries and is a great listener. (Continued on page eight)
