A Page of Interest to Women

Promenade Deck

by Ishbel Ross

Synopsis
A luxurious, five-month cruise around the world aboard the "Marengo" brings together a group of passengers for adventures, romance, and tragedy. . . . Like in "Grand Hotel," these passengers offer a study in human actions and reactions which unconsciously have their souls. . . . These characters are aboard the ship: Macduff, a Scotchman, single, of middle age; Miss Mudge, school teacher, spending the savings of 20 years; Angela, faithful wife of Lovat, a gigolo; Dick Charlton, first officer; Clara, a person of experience; Joan, a dissipated flapper; Jenny, runaway wife, and Peter; Captain Barnum, master of the ship. . . . NOW, GO ON WITH THE STORY.

His attention wandered over the dancing couples. He wasn't interested in pretty girls at the moment, but he supposed he had to dance with someone. Men were so scarce. His glance came to rest on the little teacher from Cabin 454. She was sitting by herself in a corner, enveloped in a Spanish shawl, with poppies too large for her size. The handsome officer she had seen about the ship was moving in her direction.

For the Out-of-Doors Meal

Hundred and thousands of Canadian families will be taking to the road on the 24th of May. Some may be just going for a drive, others visiting. Thousands will be bound towards a grassy slope or a shady grove where they can spread out their picnic food and lie in the sun and enjoy the weather.

This will probably be the first picnic of the season for most of us so let's make it one of the best. The out-of-doors seems to whet appetites and picnickers are ready to eat anything by the time the food is served. Don't let that be a reason, however, for not preparing the most attractive and appetizing lunch possible. And another thought, if you happen to be thinking of driving into the country to visit relatives or friends, it's a good idea to take along something to supplement the hostess' menu. Not a whole meal perhaps, but a meat loaf, a salad or a delicious cake. It saves your prospective hostess a lot of work and makes you doubly welcome for your thoughtfulness. Here are various recipes which can be worked into your picnic menu or taken along on your visit.

Bolivia Potato Salad
2 cups cold boiled potatoes, cut in 1/2 inch cubes
2 tablespoons plain, chopped
1/2 cup onion, finely chopped
2 hard-boiled eggs, chopped
1/2 cup mayonnaise
1/2 cup vinegar
1/2 cup salt
Dash of white pepper

Rub bowl in which salad is to be mixed with outside of cube of garlic, if desired. Add potatoes, plain, onion and eggs. Combine 1/2 cup mayonnaise with vinegar, salt and pepper, and add to potato mixture. Toss together lightly and chill 1 hour or longer. Add remaining mayonnaise and blend. Arrange in crisp lettuce cups and sprinkle with chopped chives. Serves 6.

Filled Jam Cookies
3 cups sifted flour
2 teaspoons baking powder
1/2 cup butter or other shortening
1/2 cup brown sugar, firmly packed
1 egg, well beaten
1/2 cup raisins, chopped
1/2 cup oatmeal
1/2 cup milk

Sift flour once, measure, add baking powder, nutmeg, and salt, and sift again. Cream butter, add sugar gradually, and cream together until light and fluffy. Add eggs and raisins. Add oatmeal. Add flour, alternately with milk, a small amount at a time. Drop from teaspoon on ungreased baking sheet. Bake in moderate oven (350 deg. F.) 15 minutes. Makes 2 dozen cookies.

Live Garter
Mrs. Hopkin Lewis, of River St., Osgoode Vale, S. Wales, got out of her garter. It was a 20-in. adder coiled up.

Gingerbread Cup Cakes
2 cups sifted cake flour
2 teaspoons baking powder
1/2 teaspoon soda
1/2 cup sugar
1/2 cup cinnamon
1/2 cup butter or other shortening
1 egg, well beaten
2/3 cup molasses
1/2 cup sour milk

Put down his book, snapped off the light, stole to the door and through the curtain that flapped as the ship rode noisily on her way. Two dark eyes caught his jubilant small-boy air as he slipped past the shaft of light. Angela turned to the wall and burning tears rolled down her cheeks.

You see, I'm a White Ribboner." "A what?" echoed Dick. "A White Ribboner—teetotaler, you know."

"Oh, I see. Band of Hope."

He looked at her with a rising gleam of interest. She was really unique—her spirit twinkled brightly through the faded shell of her flesh. It would be fun to tease her a little. "But you can't possibly go round the world without having a drink," he protested. "It wouldn't be decent. Let me order you something gentle that won't bite."

Miss Mudge was half-persuaded. Lights leaped in her eyes; she nodded her head. Dick decided to get her a creme de menthe. She sat very straight in her chair, with her hands folded nervously under her shawl. At times she shot timid glances at her companion, not quite sure what he might be going to do next. The drinks came, and Dick toasted her. "Happy day on the Marengo!" he said.

Miss Mudge had never been teased before, but she smiled, said thank you, and took a swallow. Her head swam with excitement and she caught a whiff of tobacco that made her faint. She had never been clutched to a man's chest like this before. Her head brushed his sleeve and she shivered with joy.

Really Unique
When the music ended, he led her back to a little table. She looked about with an elated air. "What will you have to drink?" he asked Dick, disentangling himself from the fringes of her shawl and spying her pink chiffon dress.

Miss Mudge blushed. "Thank you," she said, "but I never drink."

CONTAINING PERSONAL EFFICIENCY
Aspect of Temperance
16-18, 20; 1 Corinthians 5:24-27

Text—Every man that striveth to be perfect, let him so refrain from all that he hath, that he may be able to keep his commandments. 1 Corinthians 5:25. **LESSON IN ITS SETTING**
Daniel was carried to Babylon, 605 B.C. The apostle Paul's first Epistle to the church at Corinth, before A.D. 65.

Babylon was the great city of the Mesopotamian valley, located at the foot of the Euphrates River. Of Corinth was located in the part of Greece, and the epistle was written from the apostle Paul, in the province of personal intercourse the king of Babylon would be able to form some estimate of the real worth of these youths. A magician today is one who is skilled in tricks and magic, but in those days he was a learned man acquainted with science, and while he was supposed to perform some magical rites, he was a man far more intelligent than the common people of the kingdom. The word here translated "enchanters" is from a verb meaning to breathe, or to blow or whisper, and indicates that these men practiced their incantations by movements of the breath.
