THANKSGIVING DINNER

Besides being generally thankful at Thanksgiving time, it's a personal opportunity to be thankful for our blessings. Even cynics who think they have nothing for which to be thankful, can be glad that their lot is no worse and those whose lot is so bad that it couldn't be worse, can be thankful for that too. If those are not enough good reasons for thankfulness, we are giving you one by planning your menu for Thanksgiving dinner which will remove that problem from your mind.

Rather unrestrained, dashing splashes of color here and there often are better for her than conservative, strictly tailored, quiet suits and dresses. Sir, I perceive that thou art a prophet. 20. Our fathers worshipped in this mountain; and ye say, that in Jerusalem is the place where men ought to worship. It is clear from this verse that much of the conversation with this woman is not reported, for we do not have any record here of Jesus, speaking about Jerusalem, though he must have done so.

21. Jesus saith unto her, Woman, believe me, the hour cometh, when neither in this mountain, nor in Jerusalem, shall ye worship the Father. 22. Ye worship that which ye know not: we worship that which we know; for salvation is from the Jews. The hour to which the Lord refers is, of course, the hour, when, through Christ, God is fully known and truly worshiped.

23. But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and truth; for such doth the Father seek to be his worshippers. 24. God is a Spirit, and they that worship him must worship in spirit and in truth. That the Father seeks men to be his worshippers is but one of the many evidences, from God's call to Adam in the Garden of Eden down to the last "Come" in the book of Revelation, that God longs that men should be with him, worshipping him, knowing him, loving him, and filled with his fullness. The worship which God asks for is spiritual woship, worship that I n spirt and in truth.
