

THE LIFE OF SQUIRE WOOD

Ed. Note: An article appearing in last week's edition concerning an ancient newspaper found in a house, believed to have been built and occupied at one time by the late Squire Wood, is responsible for the following article. While we were uncertain as to the part played by Squire Wood in connection with this particular house, we are indebted to Mrs. E. Miller of Nanticoke who has supplied us with a complete history of this estimable gentleman, who played such a prominent part in the pioneer life of the Township of Walpole.
