Village

Other villages and hamlets boast a Village park. Many of these parks are not properly cared for. Usually with the word park, it is assumed that the park is well kept. These things, however, are not always a reality. In many cases, the park is a centre it is sometimes neglected. It is sometimes to arouse enthusiasm and interest in the park to get this work done, the last Saturday in May, which this year falls on May 27th. All Juniors in the county should plan to keep this date open and make it a point to attend.

New Coach's Class
The Junior Farmers Association has this year added a Coach's Class which should add a great deal of interest in making this a real arrangement. Juniors may enter as many boys as they wish in the competition as having been coached by them. The boys entered must not have won a prize at any previous competition. The two or three high boys entered by any one coach will constitute that coach's team and prizes are being awarded to the coaches of the five highest teams.

More complete information will be forwarded at an early date to all Juniors on the mailing list or it may be secured from the Department of Agriculture, Ottawa, Ontario.

George Roulston, Hagersville, President of the Junior Farmers Association, presided at the meeting. Walker Hedley is Secretary and Murray Coverdale, Treasurer. The annual meet of the Association will be held at the time of the competition.

Veteran Dover Merchant Retires From Business

Mary E. Giles, 94, of Port Dover, has announced this week her retirement from business. She has been associated for the past 67 years. Mrs. Giles is a widow. She has a son, Mr. Giles, who is a member of the staff of the Grand River School.

Junior Farmers Arrange for Judging Classes

Annual Competition to be Held

Preliminary arrangements were made by the Junior Farmers Association for their annual Livestock and Seed Judging Competition at a meeting of the executive recently. It was decided to make Cayuga the headquarters this year and the date will be the same as in recent years, namely, the last Saturday in May, which this year falls on May 27th. All Juniors in the county should plan to keep this date open and make it a point to attend.

Arrive at North Cayuga Fire in Time to Save House

Canboro firemen received a call to a fire in North Cayuga township on Sunday, April 16th and demonstrated again the value of proper firefighting equipment in rural communities. Nine firemen made the run of over four miles and were in operation in twelve minutes.

The blaze was in a house owned and occupied by Mrs. Hazel Garner and the upper portion was ablaze when the Canboro firemen arrived at the scene. Prompt and efficient action on their part coupled with two hours of continuous pumping and only succeeded in quenching the flames but in saving a large part of the structure, the main damage being confined to the roof and upper rooms.

The Canboro Fire Department has a working arrangement with North Cayuga township under which they respond to calls and the value of the agreement was very effectively demonstrated in this case.

WEDDING

ZOMBECK-BROCK

A pretty wedding took place in the Catholic Church, York, last month. The bride was Miss Helen Zombek, of Buffalo, N.Y., at 8 A.M. on Wednesday, April 26th, when Helen Zombek, of Buffalo, was united in marriage to Daniel Brock, of Renon.

The bride was charming in a floor length white satin dress, and the groom wore a dark suit. The ceremony was presided over by the Rev. Fr. Joseph Novak. The groom was assisted by the bride's brother, Mr. William Zombek.

Following the ceremony a wedding breakfast was served at the home of the bride's parents.

After a honeymoon trip to Detroit and other points, the happy couple will reside at the groom's farm, three miles west of Jarvis.

DAN BROCK AND BRIDE SHOWERED

One of the happiest social events in a long time took place at the Jarvis Town Hall on Tuesday evening, when more than one hundred and fifty friends gathered to tender a shower to Daniel Brock and his bride, Mrs. Helen Zombek.

The bride's popularity in her home district has always been high and her friends were not slow in joining in an opportunity to express to her recent bride a royal welcome to the community.

The arrangements for the shower were made by Mr. C. O'Mahony.

The first part of the evening was spent playing cards and in dancing. Music for the occasion was supplied by Kitchener's Orchestra from Simcoe.

At the midnight hour festivities ceased while a delightful lunch was served under the direction of Mrs. Lawrence Kelly. The bride and groom then spent a busy hour opening the many useful and beautiful gifts. They were assisted by Misses Mary O'Mahony, Gertrude O'Donnell, Marjorie Gibbons.

Both Mr. and Mrs. Brock briefly expressed their sincere thanks and extended a cordial welcome to all present friends to visit them at their home, three miles west of here.

Jarvis Will Open Baseball Season at Fisherville May 24

Game Will Also Be Played at Hagersville on That Day

The Halldam Baseball League will officially get under way on May 24th the accustomed date of opening for many years.

The league will play host to the league this year, as has been a custom for many years at the Victoria Day celebration.

Although the complete schedule has not been drawn up, according to Manager Crosswell, the local team will open at Fisherville on May 24th. It is also understood that Hagersville will play host to Canboro on that day.

According to present arrangements the league will comprise six teams this year, namely, Dunnville, Fisherville, Hagersville, Simcoe, Jarvis and Delhi.

The Simcoe and Delhi entries came in at the last minute after having been associated with the Tobacco Belt League in previous years.

Baseball Dance Very Successful

If the dance held in the Jarvis Arena last Friday evening in any year, the Jarvis Baseball Club criterion, the Jarvis Baseball Club is to go a long way in this popular pastime during the summer season. The dance sponsored by the club drew one of the largest crowds ever accommodated in the baseball building, and netted the baseball boys nearly \$120.00, which should give them a real start towards the purchase of uniforms and equipment for the conduct of a baseball nine.

Crown Queen of Blossoms at Grimsby May 13

R. C. Bourne Again Heads Festival Committee

June may be the month for brides and orange blossoms, but one week in May - from the 7th to the 14th, judging by present weather conditions - is the week that thousands of fruit trees in the Niagara Peninsula are garbed in delicate pink and white blossoms, will not a general and veritable welcome to city and farm folk alike.

It's Blossom Time, and it will also be visiting time for thousands of motorists from afar and near, anxious to revel in the scene as well as the sight of blossoms in the Niagara district - truly Blossom Land.

Time was when Blossom Week arrived this road departed unheralded and unannounced, but now it is all changed. Last year the entire Peninsula celebrated with Grimsby - the heart of the fruit belt - in staging a glorious day of pageants, feasts and pageants, culminating in an evening outdoor performance before several thousand people and at which the Crown Queen was crowned by Hon. P. M. Dewar, Ontario Minister of Agriculture.

Grimsby made such an outstanding (continued on page eight)

Charles Feeney Heads Plowmen

Charles Feeney, a prominent farmer of South Cayuga, was elected President of the Halldam Plowmen's Association to take the place of Mr. George Schwaner, who passed away within a month of having been elected to the presidency for a second term, at a director's meeting held here on Thursday.

Mr. E. J. Hyslop, of Seneca township automatically became first vice-president and it was decided to leave the appointment of a second vice president until the time of the annual meeting.

Preliminary plans were made for the annual Plowing Match, which this year will be held on Thursday, May 11th, at the farm of Mr. Adam, 1594.

Adam is certainly nothing to be ashamed of right now. As stated he is a chestnut with a star on his forehead, two white hind legs - white to the hock and a little white around the front of the feet. He is a standardbred and a credit to any owner.

MRS. JOHN BRENNEN

After an illness of only a few days Margaret Ellen Fitzgerald, wife of John Breunen of Walpole, passed away at the home of her daughter, Mrs. N. Rider, in the Village of Jarvis, on Wednesday, April 26th, in her 84th year.

REPAIRS BEING MADE ON NO. 6 HIGHWAY

Arrangements for Repairs Made by Local Men

Those who travel No. 6 Highway between Hagersville and Caledonia, and those dependent upon trade derived from the travelling public on this road will be pleased to know that repairs are being made.

The winter rains have havoc with this road, which is one of the oldest sections in the county. It is a road which is avoiding the route whenever possible. Fortunately, the road is a narrow section of road quite often while travelling to and from his home in Simcoe and Queens Park. It is reliably reported that repairs to the road, and while it is not before it was subjected to its hazardous condition will be grateful to him.
