## A Weekly Review Of National Affairs

(By "Spectator")

Ottawa, August 1st.—Parliament is still in a quandary about the election date. Perhaps some of the port crystal gazer might discern the date in the glass, but there is a date in the past which is of great importance to the country. The last word on the subject was given by the Prime Minister at the cabinet meeting of last week. The cabinet was that the election should be held on September 25th. The Prime Minister's statement was made up of his mind about it. The question remained in the same position as when he had discussed it with the cabinet. It was with the cabinet that with conditions in Europe as they still were, he did not feel that the government would be justified in dissolving parliament. The announcement that a bye-election would be held on September 25th in the Calgary seat formerly held by Mr. Bennett, although this was simply in accord with constitutional requirements, gave the general impression that the general election would not come for some little time. It is, however, a fairly strong feeling that the contest will come before the year is over. It isn't likely that any announcement will be made at the August 8th in Toronto because the announcement of dissolution would come at the same time and that would be issued from the capital.

Excessive heat and dry weather have taken a disturbing toll of crops not only in the West, but in sections of the East as well. After nature, however erratic it may be, had dealt in such kindly way with crops during the week or two, the weather has been distressing to witness the damage in the ripening season. Mr. Gardiner, minister of agriculture, after a trip to the Prairie provinces, has returned to Ottawa with the report that "the beating that the crop has taken recently from the lack of rain is not generally realized." In Western Ontario, fruit and grain crops have also suffered quite severely although peaches and plums are still plentiful. Good rainfall would mean literally millions to orchard owners and tobacco growers. And of course dry weather means greater hazard of fires in the forests. Northern Ontario forestry aeroplanes have been keeping constant watch throughout daylight hours. The cabinet will come to Ottawa next week to discuss with the Dominion government the question of the best method of dealing with pressing unemployment problems. Mr. Duplessis asked for the interview by a telegram to Mr. King. Unfortunately, Mr. King, himself is spending

### DOWN THE SPORTS TRAIL

(continued from page one)

promptly said no dice. Had Caledonia made an appearance at the O.E.A. meeting when the schedule was arranged, they would have been into the league. But as they were absent and Simcoe and Delhi were present, the Norfolk teams were favoured to round out the league. If Caledonia is allowed to enter the playoffs at this stage of the race it is time the league received a shake-up because such teams as Simcoe and Jarvis, who were eliminated after a hard campaign, would see fit to let it be known in without earning a play-off berth.

Another quarrel from the same source column reads "Bill Gordon secured his release after much trouble from Jarvis and Hagersville, with whom he would not play under any circumstances, and signed with Brantford seniors. Jarvis Avery and Brantford will play with Hagersville, who expect to win the B Championship, but with their pitching staff they will have to have lots of luck to go anywhere."

Concerning Mr. Gordon's release from Jarvis there was no trouble whatsoever. Manager Groszwell said he would hold no strings on him for the simple reason that Gordon has nothing but style as far as pitching goes. He wins his games in his hurra. And we still can't figure why a player must have a release from Intermediate ball to play Senior baseball. "R.G." says Hagersville will have to have lots of luck to win their group as their hurling staff is lousy. Well, Hagersville's pitching is just the best in the league, and anyone who thinks Bill Gordon rates with George Peters as a twirler certainly has to catch up on his baseball facts.

The bewhiskered stars representing the House of David baseball team put on a show in Simcoe and Hagersville that has never been excelled in this vicinity. They combined with good baseball and treated the four thousand fans that witnessed the two games to hours of hilarious enjoyment. In Simcoe, they defeated a Norfolk all-star team five to one while in Hagersville the score was five love. Had the bearded boys wished they could easily have taken the game thirty-five to nothing, but by putting on the "act" they probably gave the crowd more entertainment than sound, even Eugene Yager, Burdell Holmes, Nathan Pond and Timan Hoover, who were named for the Hoovers. A program of Secretary Treasurer, a program of sports was conducted by Russell Harbeck, Benlan Bondi, Una Merkel, Bob Watson, Nat. Pendle, and Plus.

LOVELY SETTING FOR AUGUST WEDDING

Well Known Couple Took Vows on Saturday

A wedding of wide interest took place on Saturday, August 5th, when Mildred Carol, eldest daughter of Mr. and Mrs. Earl Fess, of Jarvis, was united in marriage to Donald Clifford, eldest son of Mr. and Mrs. Clifford Leatherdale, of Simcoe.

The ceremony took place on the spacious lawn at the home of the bride's parents, Talbot Street, west of 4 P.M. and was solemnized by the Rev. W. H. Wellwood of Niagara, uncle of the groom. Promptly at the appointed hour the bride approached the outside arch, flanked by Gladiol and fern, upon the arm of her father, to the strains of the wedding march, played by the organ.

The bride was escorted by her cousin, Miss Gwendolyn Falls, of Chatham. She carried a shower bouquet of white roses and lilies, and a charming indeed in a gown of white chiffon with finger tip veil and tulle of orange blossoms. The bridesmaid, Miss Margarette Falls of Hamilton, aunt of the bride, was also very daintily attired in a pale yellow gown with pale blue tulle, with a ducalnet taffeta hat, and lace mittens to match, carrying a nosegay of yellow roses. Mrs. Jack Leatherdale, of Simcoe, brother, supported the groom. During the signing of the register, Mr. Harry Falls of Chatham, uncle of the bride, sang "Because."

A buffet luncheon was later served to more than sixty guests. Mrs. Fess, mother of the bride, presided over the guests in a gown of lilac sheer art carried a corsage of yellow roses. She was assisted by Mrs. Leatherdale, mother of the groom and wore blue sheer, and carried a bouquet of white roses.

A toast to the bride was proposed by the Rev. W. H. Wellwood and responded to by the groom.

For going away the bride wore a Suez Crepe dress with navy accessories. The groom wore a tuxedo and honeymoon trip to the Maritime Provinces and upon their return, will take up residence in Toronto.

Donald C. Leatherdale, son of Mr. and Mrs. Clifford Leatherdale, of Simcoe and Mildred Carol, eldest daughter of Mr. and Mrs. Earl Fess, of Jarvis, whose marriage was solemnized at the home of the bride's parents in the Village on Saturday, August 5th.

**Achievement Day Held In Cayuga**

Over Seventy-five girls along with their local leaders, of the Girls Project, sponsored by the Women's Institute, were present at Cayuga on Wednesday, August 9th, when their annual Achievement Day was held.

The special award, the highest girl in the project "Dressing Up Home Grown Vegetables" was won by Gertrude Pearl. The special award for the highest girl in the project "Sleeping Garments" was won by Margaret Marr.
