She has solved the daily problem ... because FISH offers a welcome and wholesome change at mealtimes, something the whole family will like wholesome change at mealtimes, something the whole lamily will like. There are over 60 different kinds of Canadian Food Fish and Shellfish from which you can choose, either fresh, frozen, smoked, dried, canned or pickled. All of them can be served in an infinite variety of recipes. And... one of the good things about FISH is that it is nourishing, and so easy to prepare! Serve Fish to your family often.
