course. Miss Taylor is the Home Economics Coach for the county and already is well known to those who have taken part 'n girls' project work. Miss Taylor in addition to being in charge of the girls will be responsible for instruction in Foods and Nutrition, and Home Management. Hydro service was shut off last Sunday morning at the north end of town, after a limb fell from a tree and tore down three wires. A fuse also blew out on the street lights, throwing that part of town in complete darkness.

balance of \$261.41 on hand, which compares very favorably with the average balance during the past ten years.

The Secretary-Treasurer's reports showed that the total receipts amounting to \$650.26, leaving a balance of \$261.41. The Secretary-A. Gordon Skinner, reported one of the best years in the history of the organization with a larger attendance of plow boys and excellent work being done at the Match.

The principal speaker of the day was Mr. A. M. Barr, Agricultural Representative for Brant County who spoke on plowing match work and its relation to the average farmer.

### his prize on Saturday night. SWINE BREEDERS TOUR WATERLOO

If the number taking part in the trip to Waterloo county is any indication of swine breeding in Haldimand county, there should be a large number of pigs produced during the next few years. It is now known that the officers of the organization when planning the tour were looking for approximately thirty or forty in their group but they were particularly well pleased when between ninety and one hundred turned up the morning of the tour and it required twenty-two cars to convey the party.

Leading the group was Mr. Elgin Senn, Hog Grader for Dominion Government at Hamilton, and Mr. Chas. Schweyer, President of the local club.

The first stop was at the farm of Mr. Lloyd Hagey out of Preston. (continued on page eight)
