The Big Brother Association of Hamilton is just what its name indicates - a Big Brother organization - taking a special interest in boys - some of whom have yielded to temptation, others whose home environment has not been all to be desired. These boys are over ninety per cent good boys and if given proper direction will turn out to be good men. At this time of the year many farmers need extra help and some of these boys have expressed a desire to work on farms; so we invite farmers to correspond with our office if in need of an extra boy to help on the farm.

Only boys we can fully recommend will be taken to any farmer or others interested in securing the services of a boy. Please write to Mr. R. D. NEW TOBACCO PLANT
FOR SIMCOE

According to recent reports, Simcoe is to have a new Tobacco processing plant erected in the near future at a cost of \$100,000. The Plant is to be built by the National Leaf Tobacco Co. It will be of fireproof construction, -150 by 250 feet with a separate boiler house.

Bob Martin. These two are improving with every workout and if a few more would follow their example we might be able to mould a fast colourful ball club. Bailey is working out at second while Martin attends to the hot corner duties. Nelson (Pewee) Thorne is attracting notice with his sensational fly-catching in the field, and players starting at such an age are bound to be good intermediates in a very few years.
