

CHAPTER X Judy came down to breakfast i the morning, humming happily. She gave Gram a quick look, but

for getting in at five o'clock in the morning?" She kissed her grandmother's cheek and sat down at

learned nothing from her expre

"You don't think I stayed awake all night worrying about you when you were with Peier," Gram said buttering a piece of toast elaborate ately. "If you had a good time, don't care when you came in."

Judy smiled radiantly. Oh, we did have a grand time We met Marlie and Lisa at the theatre and we all went to the Mal lory roof and danced.' "Lisa and Marlie! Bless my bu

tons! Now how do you suppos that ever happened?" "I guess Lisa just couldn't stand to have Marlie pay too much attention to the Southern belle. kind of monkey business, you can

him. He's spending his money like water."

Gram was bursting with curiosity. But she thought it best not to ask too many questions, Judy jus might get suspicious. Besides, she had seen enough to know Peter was carrying out his assignment an admirable manner. No doubt he would ask to marry Judy. Well there'd be no objection on either side, Gram was sure of that. And it both her grandaughter and her ole

The phone rang and Judy got up "If that's Peter wanting you to go somewhere this afternoon, you are going," Gram told her. "It's too ot to work. Go and spend the afternoon at the lake, like all the other young people do."
It was Mike Tulling. Judy was

mazed. She put her hand over the eceiver and whispered, "It's Mike Le wants me to go canoeing." "Tell him yes," Gram urged. "It will do Peter good to see you have

Judy was reluctant. But she did want to go canceing. It would be a good joke on that smart Lisa Loring if she walked off with her boy friend. So, to Mike's surprise, as him she would go.

would not come to the drug store that day. It would be very difficult to face him, she was sure. A man who had kissed her in the dawn Maybe he wouldn't have any respect for her now. Maybe he now thought she was just like a lot of other girls who went around kiss-

She had been in the store only few minutes when he arrived. Judy was thankful she had dishes to wash. Sam Calhoun had let them

greeted her as naturally as if his kisses had been a dream. "I'm off to the lake. And you should be going with me. In fact, you are goto kidnap you. Judy turned and piled clean dish-

es on the shelf. "I have another engagement. I'm going canoeing." "Ah, two-timing me, eh!" Peter

said dramatically. "If I'm drowned There was a warm breeze, but

darn pretty! "That was marvelous! Why don't you take a dip and let me take the

Mike shook his head. "I Want To Go Home "I'd have to stop looking at you.

n Leebrook, Beautiful?" her a little nervous.

"Let's go back where we can not to sound too worried.

I'll jump out and swim." "I'll take you back if you kiss me - just once." Mike laid down he paddle and leaned toward her. 'It's too far for you to swim.' "I'll jump out if I drown," Judy set her chin angrily. "Don't you are come near me, Mike Tulling.

and sat back. Mike suddenly, seriously. "I mean I'm crazy about you, really. I will stop going around with everybody

That's silly." "Not even your doctor's ?"

to go home."

A Caller Mike turned the canoe. "All right, Beautiful. Just to show you I mean what I say about liking you better than any other girl, I'm going to obey you. Aren't you surprised."

"Then what are you doing out all

this morning you'll know why. I'll promise not to do it till next Wednesday if you let me take you can eing tomorrow afternoon." "All right," Judy laughed. "If I

must save your life, I'll try to ge

She was glad when several peo ple came in and Peter left with a wave of his hand and a gay smile. t hadn't been so difficult after all. and it was nice to know he want ed to see her again. Gram said i was a good thing to let him see she had other admirers. Not that i

Judy wore a beach coat over he bothing suit when she ran down he steps of her home in answer to Mike's whistle. She paused long enough to wave quickly to Marlie, who lay under the big maple tree eading a book of poetry. Marlie blinked his eyes in astor

ishment when he saw Judy jump into the Tulling roadster. It had been a crazy week, all around, but this was the worst yet. Judy Miller going out with Mike Tulling! Well, that was another thing he'd have to talk with her about. Mike wasn't good enough for her, or for any of the nice girls he knew, for that matter. It was a wonder her grandnother didn't look after her better when her father was away.

"I was afraid you wouldn't even come," Mike grinned when they tarted down the street. "But I am glad you did. I've been wanting to date you up for a long time."

Judy tucked her beach robe up around her legs a little more se-

"Oh. sure!" she scoffed lightly. "You've been lying awake nights thinking about me. Well I know you're taking me canoeing just to spite Lisa Loring, and that's just the reason I'm going. So let's not kid each other." Mike was surprised, but he was

laughing appreciatively. "So that's what you think! Well I guers you're sort of off Lisa because she's been taking a little too much interest in your little friend Angel Jones." "He's not my little friend, and I

don't think you should call him An-

"Okay, Beautiful! Let's not even fight over Mrs. Jones's little pride and joy. I'd have called you a long pile up to a mountain.

"Good morning, Sunflower," Pettime ago if I'd known you'd go out "I wouldn't have," Judy said very

"This is so sudden." Mike stopped the car in a clump of trees by the lake. "But I'll try not to let your enthusiasm ruin my after-

> Judy was glad there were a lot of people on the beach and in the water. Around a little cove Mike untied his canoe. Judy took off her robe and plunged over the side as they were far enough out into the

the lake felt jev. After a little while Mike helped her back into the canoe. Her curls were suddenly flattened, but Michael looked at her with a new interest. She was

pars?" Judy suggested.

Did any one ever tell you that you have got the swellest little figure Judy reached for the beach robe and threw it over her knees. She noticed they were getting farther away from the crowd and it made

watch the swimming." She tried "Nope." Mike smiled easily. "I want you off all to myself. I can't

make violent love to you here, my "I want to go back." Judy said

irmly. "If you don't take me back You turn right around and take me

back. I want to go home." "I'll be good." He moved back and took up the paddle. "But it will be an awful pob."

"You're too fresh!" Judy flared Will you be my girl, Judy?" said else, even Lisa, if you'll promise to

go out with me." "I'm not going to be anybody's girl!" Judy felt a little flattered.

"He's not my doctor. And I want

"Overwhelmed!" Judy sighed elaborately. "I imagine you could be very nice if you tried to be. But I've heard some pretty wild things

### Household Science

By SADIE B. CHAMBERS PINEAPPLE'S IN!

The season for that incompa able fruit is with us again, that of the pineapple—and they are send-ing out a challenge these days for year-round favorite. This perfect fruit of the tropics will grace any menu and is adaptable to any course. Its popularity is due to two reasons; firstly it has a delicious and refreshing flavor, and secondly it is so very convenient to use. One mental reservation, which should be made to guard against later grief, is that fresh pineapple and gelatine are never on friendly terms, and under no circumstances will this fruit set unless it has been first cooked. Another tip: the addition of lemon as a flavoring gives a very

distinctive flavor. By all means watch for "pineaple week" as announced by the fruit dealers and plan to do a liberal amount for winter use. Lack of space will not allow us to go into detail on the different ways of anning, as oven-canned, prese ed, etc. I am giving my very faorite method of canning, and in the different recipes, I am endearouring to answer your hearts' desires for a variety in each course you may be serving during th

> CANNED PINEAPPLE (Without Cooking)

cups diced pineapple cups finest granulated sugar Combine ingredients, mixing hem well together in a large crock. Cover, stir frequently and day, bottle in well sterilized jars Seal tightly. Store in dry, wellaired, cool place. This method is ideal for fruit cups and cocktails and has been known to keep for over two years.

PINEAPPLE CHEESE SALAD 1 tablespoon gelatine cup cold water cup boiling water 1 tablespoon sugar

Few grains salt cup crushed canned pineapple cup whipped cream 2/3 cup grated cheese

Soak gelatine in cold water for five minutes and dissolve in boiling water. Add sugar, salt and ineapple. When it begins to stiffen, beat in the whipped cream and grated cheese. chill. When firm, unmould on lettuce leaves and garnish with mayonnaise sprinkled with chop-PINEAPPLE TREATS

cup cooked pineapple juice mixed with chopped or shredded pineapple. slices of fresh or carned pine-

apple.

Dissolve prepared jelly powder in boiling water. Add pineapple juice and crushed or chopped pine-apple. Pour into individual wet moulds. Chill until firm. Turn out each mould on slice of pineapple. Top with whipped cream. CUBAN COCKTAIL

Take a medium-sized pineapple. Peel, pare and slice, cutting in quarters. Then take one and onehalf cups water and the same of sugar; add to pineapple, bring to boiling point. Boil ten minutes, simmer five. Also add to this a sprig of mint, crushed or chop-

All the way back in the car Mike persisted in his determination to kiss the furious Judy. And once he stopped the car and put his arms around her, but she slapped his face and he let her go.

By the time she reached home she was angry enough to tear his sandy hair out. Marlie, waiting in the swing on the porch for his very chance to lecture her, saw her slam the door of the car and flounce up

So! Mike had made her mad! Well what did she expect - going down to the lake with him in a slip of a bathing suit! But before Marlie could make up his mind to go over and carry out his determination to play duch uncle, he had a

ordinary cooking soda in a small cupful of water, and apply. This ral. Thomas Southgate, is shown here at the wheel of one of the cars he is driving throughout Canada as acting chauffeur to Their Majesties during their Canadian tour. Above the windshield of the car can be seen the royal crest and behind it the blue light that will be used to illuminate it at night.

### GARDENING

Dahlias, tomatoes, large cosm or nicotine, young shade trees, new climbers, all benefit from some artificial support while they are get-

ting started. For tall individual flowers or tomatoes, 6-foot stakes of wood or teel are advisable and the plant is tied to these loosely with soft wine or raffia. Stouter and perhaps longer stakes will be used with shade trees, and correspondingly shorter ones for the smaller flow ers. With vines getting ready t cling to fence or wall, string is used or perhaps adhesive tape of staples where it is impossible to

FILLING IN It is a good plan, old gardeners state, to use started annual flower plants of the kinds mentioned above for planting among tulips and other spring flowering bulbs which will be past their best in a few more weeks. They need something to hide dying foliage. Then again quick growing annuals will always be useful for filling any blind spots in the perennial beds

where Winter has been unusually GARDEN PESTS Garden insect enemies are divid-ed into two groups,—those that eat holes in the foliage and those that suck out the juices. For the first named, poison is usually applied, while the suckers are attacked with a burning spray which penetrates. Often when both are present, a combination of poison and something that burns, such as lime sulphur and arsenate, gives the best esults. The damage from the bit-

and then he challenges his contradict with any evidence the stateme and at Jerusalem, and throughout made. This was enough for He would not himself give all the country of Judaea, and also to the Gentiles, that they should this day, but he would and turn to God, doing further evidence. After repent the years since his conversion had Paul tried to do nothing but obey is time spoke not only but to his wife Drusilla, this command from heaven, and yet because of this obedience did st of three daughter the Jews desire to put him to death. 21. For this cause the Jews seized me in the temple, and as-A.D. 53 to Azizus, the king a, but who not long after persuaded by this very sayed to kill me. 22. Having there-Telix, to leave her hus fore obtained the help that is from God, I stand unto this day testiand to join him as his third This time Paul did not offer fying both to small and great, saydefense of his actions, but hed a sermon of searching ing nothing but what the prophets and oses did say should come; 23. how that the Christ must sufto these wicked people, on ness and temperance and fer, and how that he first by the

resurrection of the dead should proclaim light both to the people again there is no verdict; have not been proved, not convicted, yet he is free. Thank God also, and to the Gentiles.

And what of the verdict? There has not been a true official verdict passed upon the apostle Paul in all these different trials, and there not broken, nor is he now nood to compromise. The the trial goes on, the greatis no official verdict passed here, but Agrippa and Festus both man Paul appears to be. e Festus and Agrippa agreed that this man had done nothing worthy of death or of bonds, and might have been set at liber ty, if he had not appealed unto Caesar. Paul must go to Rome!

er two years Felix was si by one Jorcius Festus, as ator of Judaea. The Jews seeking the death of Paul, to persuade Festus to send n to Jerusalem from Caehoping to kill him on th but Festus refused, insis hat the Jews come up fro m instead, and bring their es once more into the Ro-court, "which they could not There was nothing else stus to do but to accede to him up to Rome for final
