1940 Chevrolet's Debut

Replete with new mechanical features and refinements, the 1940 Chevrolet is introduced to the Canadian public in two series—the Master 85

Longer, lower and roomier than ever, the 1940 Chevrolet comes with a long list of advances in style and engineering.

Luxuries from the costly-car class are combined in both Master and Special DeLuxe Series, with all of the year's major automotive innovations.

Completely silent gear-operation is achieved in all speeds, including low and reverse, by means of the 1940 all silent synchro-mesh transmission.

Quiet and more trouble-free operation, have been made in the valve mechanism and tappet design. Oil pump capacity also has been increased.

Safety features on the new cars include the Sealed Beam Mediums which are expected to revolutionize night driving, and a which the lamp reflector and lens form one integral unit.

Roominess and comfort is increased in all models. The front seat is 24 inches wider, with 2 1/2 inches more headroom.

Longer Wheelbase

Contributing to this increased stability and smoothness at all speeds is the lengthening of the wheelbase to 113 inches throughout the line, the balancing more closely the front and rear suspensions, and

Varency W.I. Entertain District Officers

On Thursday, October 2nd, members of Varency W.I. spent a very pleasant afternoon at the home of Mrs. A.E. Marr...

Business disposed of the following items: It was a fee of ten cents for a change of a fee of ten cents for a change of a fee of ten cents...

There is one point in sport that we have always stressed and that is let youth have its fun...

Since we sponsor a midge-sized hockey rink, why not promote a midge-sized hockey league in this town?

Believe it or not, there is a better hockey material between the said nearby town, simply because the young lads here enjoy this sport more than any other.

George W. Walker started an N.H.I. midge hockey league a few years ago and the test proved very successful.
