Local Infield Play Smart Ball in Second and Final Game

WINKWORTH PULLED AFTER BEING HIT FREELY IN FIRST INNING

Getting away to a rather shaky start in the first innings, the Jarvis and Hagersville teams settled down to give the fans one of the most interesting games of the season, in the second of the best two out of three play-offs on Friday afternoon at Jarvis.

In the opening frame Williamson got himself in trouble when he hit the first two batters to face him, and Winkworth and a third was counted when Peacock scored when the play was being made on Reid at first.

Hagersville found the going equally as tough if not more so in their half. Winkworth was touched for four bingos and issued a walk for the first five men to face him.

The management pulled him at this point and put Jacobson in the box. Five runs were registered, however, before the side was retired.

Hagersville added one in the third to bring their count to four. The locals went on another batting spree when the Jarvis was over to come, and five runs were scored to tie the score. Williamson seemed to weaken in this frame, and besides allowing four hits, walked one and hit one batter.

The Jarvis came was saved in the last of the sixth, when after Butler and Hazlett got on on an error and a walk respectively, Stawood closed it with a sharp grounder to Maggio who let it go through, giving the two base runners ample time to score.

Two runs up the locals went into the first half of the seventh with Peacock replacing Williamson on the mound. He seemed to be the master of the situation, and after striking out three batters, he retired the side.

After the ceremony a reception was held in the Parish Hall which was attended by a large number of guests.

Public Cordially Invited to Attend I.O.O.F. Dedication

Official Opening of New Temple Marks New Era in History of Oldfellowship in Jarvis

The official dedication of the new I.O.O.F. Temple, marks a new era in the history of the Lodge in Jarvis, and the members of the Order are quite justified in the pride they hold for their new home.

The new Temple, which was formerly a private dwelling, built by the late Bryce Allen, offers the commodious quarters for the conduct of their communications. The building has been entirely re-decorated, and the interior is most attractive.

The program for the occasion will start with a banquet at 5.30 P.M. which will last until eight o'clock. The public are also cordially invited to attend the banquet, although a nominal charge of fifty cents will be made.

Immediately following the banquet it will be the privilege of all attending to witness the Dedication ceremony, which is anticipated.

The Dedication Ceremony will be conducted by officers of the Grand Lodge of Ontario and it is a ceremony performed only on very rare occasions. It is understood that the Lodge are anxious to have the general public attend, both to see their new home and to witness a ceremony that promises to be deeply impressive to each and every one.

While a charge is being made for those partaking of the banquet, there will of course be no charge for those attending the ceremony. The Lodge are anxious to have the general public attend, both to see their new home and to witness a ceremony that promises to be deeply impressive to each and every one.

Richard Cassidy in Hospital Victim of Auto Accident

CHAS. BUTTS PROVES HIS FISH STORIES

After spending ten days up in Algonquin Park, Charlie Butts stopped in the office last Wednesday night to tell us of the wonderful fishing up there and of the big one he had caught. In fact, he said it was the biggest fish taken from the park waters this year.

We must admit we doubted the authenticity of his remarks, because an ardent angler can be forgiven when he tells of his successes. Charlie had the proof however, in a photo showing him with a small mouth bass 19 1/2 inches long and weighing seven and a half pounds. Two can imagine the smile he was wearing on his face when the picture was taken.

While standing talking on the highway allegedly about four feet from the ditch on the west side of the road a car approached from the south, and according to reports struck Cassidy, while the other men managed to avoid the accident.

Richard Cassidy, C.N.R. employee, of Jarvis was the victim of an unusual accident early Sunday morning, which occurred about a mile north of the Village on No. 6 Highway. He is now in Norfolk General Hospital in Simcoe with a fractured right leg, and a broken finger in his right hand, besides cuts and bruises.

Mr. Cassidy was returning to his home here from Hagersville, when he was struck by a car driven in front of him, causing him to lose control of his own car, and it turned over on its side on the highway. He managed to crawl out of a rear window of the car, although his right hand was cut and a finger broken. Shortly after a car came along from the north containing five Simcoe men, namely Brad Jackson, Joe Cook, W. Hamilton, Thos. White and Walter Thompson, and seeing the car turned over on the road, stopped several yards further up the road. The four men, who were in the car, saw Cassidy, and he was helped out of the overturned car, and Cassidy walked up to meet them.

RECHERD FARMS DO WELL AT EX.

Although we could not get a complete list of the winners of the Reichard Farms at the Canadian National Exhibition for this week's paper, we have been informed that their famous Hereford herd continued in their series of successes at Ontario Exhibitions.

They carried away eight firsts, six seconds, six thirds, three fourths, one fifth, one sixth and one seventh in the strong competition that is always evident at Canada's National Show.

A complete list of the winners in the various classes will be reported next week. There were nine herds competing at the Exhibition, representing the best in Hereford cattle in Canada. The Reichard farms won the award for the Grand Champion Female and the award for the best excellent Bred Bull. Credit for their excellent showing again goes to Glen Reichard who has been in charge of the herd throughout the entire Exhibition tour.

SUGAR SHORTAGE IS TEMPORARY

A. F. Blake, manager of Atlantic Sugar Refineries, Ltd., at Saint John, N.B., announced yesterday that refineries have a normal amount of sugar on hand for this time of the year, but "increased buying of the public has created a temporary shortage."

Mr. Blake said: "There is no cause for alarm as to sugar. The world is glutted with it."

BADMINTON CLUB PRESENTATION

On Thursday night, last approximately twenty-five badminton players gathered on the shores of Lake Erie in the vicinity of a water resort in honor of Mr. George Walker and Miss Beulah Sutor whose marriage took place on Saturday afternoon.

During the evening Mrs. Tweedie, the President of the Club, presented them with a silver vase containing a tray on behalf of the officers and members of the club.

Walker responded in his usual capable manner, thanking those present for their kindness.

MRS. BERT MICHELL DIES IN SMITHVILLE

SWINE BREEDERS TO HOLD FAIR

Arrangements have been completed for the holding of a Bacon Hog Fair in conjunction with the Canadian Agricultural Society Fair Fall on October 12th, 13th and 14th. The sponsors of this section include the Haldimand Yorkshire Swine Breeders' Club and the Federal and Provincial Live Stock Branches, working in co-operation with the annual Fair Board.

This Bacon Hog Fair is a departure from the old type of hog fair held some years ago and includes classes for breeding stock as well as for dressed carcasses. Breeding stock classes include sections for both hogs and sows of various ages, and one section has been set apart for Junior Farmers under 16 years of age showing a sow born after March 1st, 1939.

All hogs will be sold by tender to the highest bidder on the grounds by 10 o'clock on Friday, October 13th, and judged during the
