Do keep a record of your wartime activities, so that we may be able to activities, so that we may be able to compile a record of Women's Institutes' activities for the whole Province. Your Institute may desire the cancellation of the match in that year. At this time as a quarter of a century ago, the officers of the Ontario Plowmen's stitute Branch have been offered to the Deminion of Canada by the Province.

important speeches and official state ments.

Highlight of this year's competition program will be the trans-Atlantic class, whose value will bring the total prize list to more than \$6000. Concentration has been the keynote in designing the layout of the match and demonstrations this year. Most of the plowing will be done within one half mile of the match headquart ers and the mile of streets in the "tented city" has been laid out with a view to easy walking.

Early applications from exhibitors indicate the exhibit area in the tented city will be even larger than the 1938 show, and attendance at the Plowing Match at Brockville from October 10 to 13 is expected to top the 100,000 mark.

JARVIS W.I. MEET

definite suggestions and plans for service will be sent out as soon as these can be formulated satisfactority.

One of our greatest responsibilities in war time no less than in peace time - is to care for the health of our families and to raise the Standard of Living in our homes both physically and mentally. For this purpose let us curtail our regular programmes, activities, and standards as little as possible and not forget our responsibilities to those at home in our patriotic zeal.

All of us in the past have worked for peace. Let us still keep this ideal of peace before us, even though we may be engaged ir. war work. The aim of war is not war, but to achieve a just and lasting peace.

Very sincerely yours,

MARY A. CLARKE,

Superintendent.

(continued from page one)

At four o'clock the teachers from Jarvis school were welcomed by Mrs school children take each year. Sight schools and correspondence follows: The Motto "Share What You Have" was very ably taken by Miss Myrtle Johnson and a splendid paper "Amusements as Education Factors" was given by Miss B. Roultson. Miss Marie Gowan gave a very humorous reading after which Mr. McKague. Principal of Jarvis School spoke a few words on "Adult Education" and pointed out different ways and means of obtaining same, such as reading not purely fiction, but broadening one's mind by studying History and Geography as they are today, listening to certain educational radio programs. He also stressed travel as making more of an indelible impression on the mind than reading. Mr. McKague said one does not need to travel far to obtain knowledge and

officers of the Ontario Plowmen's Association consider it necessary and a patriotic obligation that the plowing match be held.

Several branches of the Dominion government will have exhibits and give demonstrations and will thus have an opportunity of showing what is required from farmers under wartime emergency conditions. It is anticipated many department and branch heads will be on hand with important speeches and official state ments.
