The Haldimand League held an unsuccessful meeting in Dunnville last week, with only three county with a represented Hagersville Dunville and Fisherville were on hand and these three teams are quite definite starters for a Haldimand group. The league directors are not anxious to have Caledonia and

Jarvis group and Mrs. Chas. Butts service in the Church was conducted by the Jarvis C.G.I.T. and given a special address by Rev. Stewart East. Edna Jaques Jean Leather-players off work to play the players off work to play the results the results of the players of t dale and Beth Bailey had charge of the service assisted by the C.G.I.T. attraction in Simcoe due to flood-

dight softball and it is apparent that they will not enter a club in our group this year. There is going to be plenty of baseball talent wasted in Norfolk this summer. Jarvis has definitely decided on having a Juvenile team here this season. Although they were a bit shaky last year, the lads improved so greatly that they were able to win their group, and were awarded the W. A. Fry medals. However, it will be no easy task to build a team this year. With such players as Bowman, Williamson, Butcher and Miller not available because they have reached the age limit it will be no easy pickings for Manager Elson Held. But, nevertheless, we have great faith in this veteran and believe he will have a colourful, hust ling bunch of players, even though they be young.

Last year's players who are still eligible are Hazlett, Balley. Stallwood, Thorne, Craddock, and Peacock. It is not likely that Bob Martin will be here. Among the rookies trying out will be Keith Bowman who played juvenile hockey for Hagervsille, Allan Bowman and Charlie Taylor, a young southpaw, who is a natural twirler. With a little coaching this lad might surprise. a little coaching this lad might sur-

Oshawa Generals created hockey history when they defeated Kenore Thistles on Monday night. They are the only Junior A club to win the Memorial cup in two successive years, and they were finalists the year before. Winnipeg Monarchs won it twice but in alternate years, in 1935 and 1937. St. Boniface seals, featuring Wally Stanowski, eliminated Oshawa in 1938 but the Generals came right back to win it in 1939-40. They are truly a great team and Tracy Shaw deserves a world of credit.
