# AN APPEAL FOR ARMS

The Provincial Police of the Province of Ontario, acting under the direction of the Attorney-General, are co-operating with and advising municipalities now organizing or having organized Volunteer Civil Guards.

There is now an urgent need for arms with which to equip such guards under proper supervision and direction. Therefore, this appeal is being made to the citizens of Ontario asking that they loan for the use of the Volunteer Civil Guards any available rifles and 12 gauge shotguns, together with ammunition, for the purpose of protecting the lives, property and homes of our people. Such donations will be gratefully received, officially acknowledged and a proper record kept.

Arms may be deposited at the headquarters of the Volunteer Civil Guard, Parliament Buildings, Toronto, or with any Ontario Provincial Police Officer throughout the Province.

Any further information may be obtained by addressing communications to the Parliament Buildings, Toronto, or consulting with the nearest Provincial Police Officer.

Registrants Can Facilitate Work of Registrars by Studying Questions Beforehand

The National Registration of all residents of Canada over the age of Sixteen years on Monday, Tuesday and Wednesday of next week depends entirely upon the co-operation of individuals concerned. During the past few days a list of the questions have appeared in Canadian papers, thereby giving everyone an opportunity to study them, and there is no reason why every registrant should not go to the registration booth prepared to answer the questions with a minimum of delay.

In the case of Jarvis residents the registration will take place between ne nours of c. A.M. and the Jarvis in the second floor of the Jarvis chool. It must be remembered that egistration cannot be permitted at a cargo of coal. There, by a Tyne-
