INTERESTING ADDRESS

Speaking on the "Petroleum Resources of Canada" Mr. George Armstorneg gave an interesting address at the Y.P. meeting on Tuesday night. Suggesting that the largest deposits of crude oil in the British Empire are to be found in Canada, he told of how experts were trying to make this available for the British Fleet by the construction of huge pipe lines from the McMurray oil fields in Alberta to the Hudson Boy. Over a hundred billion barrels of oil or enough to fill the world's need for INTERESTING ADDRESS
