Veteran of Great War Again in Service of Country

Mr. S. R. Leatherdale, a resident of Jarvis for the past nineteen years left this morning for Niagara-on-the Lake, to give his services to the Country in the Canadian Army Pay Corps. Having served in the pay office in the Great War for a period of four years, he now enters the service with the rank of Pay-Sergeant.

Mr. Leatherdale came to Jarvis in 1921 and entered the Grocery and Gent's Furnishings business in partnership with D. C. Allen. A few years later he took over the business and carried on until 1933 when he sold out to Mr. D. J. Deller.

In 1934 he took over the General Motors agency in Jarvis and has carried on this business since that time.
