WEDDINGS

A special week end Home Coming Memorial reunion for all plot holders and their relatives of Wesley United Church Cemetery, Jarvis, when all who wish to keep ever green the memory of those beloved dead who have been called to a higher life, will welcome the opportunity of attending memorial services to be held at 11 A.M. and 4 P.M. on Sunday, June 30th.

Dr. E. W. Stapleford, B.A., D.D., minister of 1894-5 will be the special guest preacher for the occasion. The afternoon service will be followed by a processional to the cemetery led by massed choirs and former ministers of the congregation. Wreaths will adorn many graves, and many residents of former days will be present and all are invited to see that some floral tribute is placed on the resting place of beloved friends and relatives.

All plot holders or their representatives are invited, to attend the annual meeting of the cemetery to be held in the church Sunday School Room on Saturday, June 29th at 2.30 P.M.

(Continued from page 1)

Nelson Hills, Windsor, were ushers. Among those present were the groom's sisters, Miss Isobel Deeth, of Hamilton, and Miss Dorothy Deeth, Toronto.

Following the ceremony, a reception was held at the home of the bride's sister, Mrs. David A. Mac-Lennan Russell Hill road. Mrs. P. E. Deeth was dressed in wine sheer is silk, with white accessories and white roses. Mrs. MacLennan wore a frock of pale blue with white flow er design and a large white hat.

side in Ottaws.

The groom formerly attended Sim coe High School, and is well-known in Simcoe and Jarvis districts.

Proclaimed

A very pretty wedding was solemnized at the home of the bride's parients on Saturday, June 22nd, when at the hour of Four o'clock, Miss Eva May, daughter of Mr. and Mrs. J. Steinhoff, of Concession 5, Woodhouse Township, was united in marriage to Mr. Herbert Yates, son of Haldimand county is called upon by the Warden of the county to get behind the weed campaign and do every thing possible to destroy these "fifth column" enemies of our crops. It has been claimed that noxious weeds gained a foothold in Ontario during the Great War, 1914-18, and they have increased rapidly in the years immediately following. This has been responisble for the loss of millions of dollars annually to the farmers of the province.

Crop production is of vital importance in the present conflict and the Department of Agriculture is determined that a similar situation shall not REED CROSS NOTICE

Owing to War conditions and the consequent increasing demand for competent office help, the Principal, O. U. Robinson has decided to offer intensive commercial, stenographic, and secretarial courses so as to enable students to be ready for positions just as soon as possible.

Young ladies with Matriculation or higher standing are particularly desired, but those having three or more years of high school will be accepted. Youths of 16 or 17 with good education are also in demand. For full information regarding courses and rates, communicate with the Principal and Secretary-Treasurer, O. U. Robinson, Waterford, Telephone 98.

YATES-STEINHOFF

our position on the markets of the world, at home and abroad.

A weed inspector has been appoint ed in every municipality in the county of Haldimand, and these men have been authorized to proceed with the county of weed conan aggressive campaign of weed con-trol. Weed control can be looked at from at least three angles. First, from a tourist view point. It is estimated that the tourist bus iness of Ontario now amounts to \$100,000,000 a year. If a munici-

the markets of the

pality is marred by unsightly growth of weeds, visitors get a bad impresof weeds, visitors get a bad impression and usually move as quickly as possible. A clean, attractive municipality will be an inducement for tourists to stop with you and return with their friends.

Second, from an agricultural point of view. There is nothing so discouraging for a taxpayer or a farmer couraging for a taxpayer or a farmer to be living near an area where weeds are neglected. When weeds and weed seeds become a menace to

Department of Agriculture is determ ined that a similar situation shall not

ccur again. The control of noxious weeds is essential in order that pro-fitable crops can be produced and in order that we may hold and extend

adjacent property, weed control becomes a public problem.

Third, from a health view point.
Ragweed is responsible for 70 per
cent of the hay fever cases in the
province. Poison Ivy has ruined
many a holiday. Both have been
the cause of much annual suffering
and these weeds are a menace to our
children.

As a citizen of Haldimand county you have a responsibility in controll-ing the weeds in your immediate com DUNNVILLE GAZETTE
