

1941 MOTOR VEHICLE PERMITS

AND DRIVERS' LICENSES

ARE NOW AVAILABLE

Secure Yours Early and Avoid the Usual Last Minute Rush

There has been no increase in the fees for permits

and licenses. The fees charged in Ontario are

still lower than in any other province of Canada

Table of comparison of fees in Ontario and two neighbouring provinces and states for three popular makes of passenger cars:

22.00

21.30

Ontario's highway system is the largest in the Dominion, and for

the very reasonable fees, indicated above, a great highway system comprising over 20,000 miles is maintained and made available to

the motorists of Ontario and visitors from other parts of America.

The revenue collected from motorists by way of registration and

license fees and the gasoline tax has made possible the construc-

For the convenience of motorists, permits and licenses are issued

through the offices of 189 agents located throughout the Province.

tion and maintenance of this great system of highways.
