CHURCH NOTES

AT THE ANGLICAN CHURCH

THE CALL OF THE CROSS

The first thing God did following the creation of man was to plant a garden. Among the other trees planted in the garden were the tree of life and the tree of knowledge of good and evil. This week we shall be thinking of the tree of life. It was the tragedy of sin that made that cross necessary. During Holy Week we try to get our spiritual balance, to pray, to worship and behold in an ever expanding light the wonder and the beauty of the eternal sacrifice. This is the tree that grew out of the heart of God symbolizing the pain, the miracle and the glory of Redemption. The Cross still calls.

SPECIAL SERVICES

Special Holy Week Services will be as follows: Jarvis - Thursday 8 P.M. Evensong and Coloured Lantern Slides. Good Friday 10 A.M. Maundy and Ante-Communion. Nanticoke - 8 P.M. Evensong and Coloured Lantern Slides on the Passion and Death of Our Blessed Lord. On Good Friday evening.

W.A.

The W.A. of Christ Church Nanticoke held their devotional meeting on Wednesday afternoon, April 9th at 7:30 o'clock. The President occupied the chair, and after the open

ing exercises, the Rector gave a chapter in the Study Book "Through Tragedy to Triumph" by Basil Matthews.

REFRESHERS SCHOOL

A Refresher School for the Clergy of the Diocese of Niagara will be held at Ridley College, St. Catharines from Monday, April 14th to Thursday, April 17th, under the auspices of the Lord Bishop of Niagara and the Diocesan Committee on Evangelism.

The Dean of the School will be the Reverend Archbishop G. F. Scott, M.A., D.D., Archbishop of Wellington and Halton. The following will be the lecturers: His Grace, the Most Reverend Desobry T. Owen, Primate of All Canada; The Reverend Principal Ramsey Armistead, M.A., of Wycliffe College; The Reverend K. C. Evans, Professor of Trinity College, Toronto; Mrs. S. Bell, M.A., and Dr. H. C. Smith. The Rector of Jarvis and Nanticoke will be in attendance at this school.

FASTER COMMUNION

From the Prayer Book: "And note, that every Parishioner shall communicate at the least three times in the year, of which Easter is the most important. And every Parishioner shall contribute regularly of his substance to the maintenance of the worship of God, according as God shall prosper him."

FASTER MESSAGE

Dear Friends: I am glad to have this opportunity of greeting you on this Queen of

Festivals. Easter comes into this war torn world and scatters the war form of darkness. It is a day of joy and deep seated optimism, because it assures us that death, yet the power of God brings white sin and selfishness into the light of the Resurrection of Our Lord and Saviour Jesus Christ means that goodness, truth and love cannot perish.

To all who have lost friends and loved ones each returning Easter Day brings the glorious Message of the joys of Paradise and the triumph of death, neither sorrow, nor crying, Heaven where there is "no more pain for the former things are passed away."

I hope that all will make every effort to take their part in the Easter celebrations, in which we remember the sacrifice of the death of Christ and the benefits we receive thereby in time of war the thought of death joyous should our communions be, for at the Altar we meet a living Christ who has overcome Death and opened unto us the gate of Everlasting Life.

Wishing the Editor and staff whose kindness we are so much appreciated, all the joys of a Happy Easter.

Yours sincerely,
L. Douglas Brown

Be as careful of the books you read as of the company you keep; for your habits and character will be as much influenced by the former as by the latter.

WHAT IS CHIROPRACTIC?

Chiropactic is that system of the healing art which utilizes the supremacy of the nervous system in health and disease, by applying engineering principles manually to the human body, particularly the spine, for the correction of structural rearrangements which interfere with nerve function.

Regardless of what you think, or what has been said about your condition—have an open mind—Investigate Chiropactic and Natural Methods.

Complete Health Service is available in our newly equipped offices, viz: Radiologic Diagnosis and Treatment, Attention to Diet, Spinal Manipulation and Adjustment, Massage, Colonization, Quartz and Infra-Red Light Therapy and other forms of Electro-Therapy, including Ultra Short Wave Treatment.

We accept no case, unless after a thorough examination, we conclude that your condition will either result in a complete recovery or be benefited by our treatment.
