of the county, the Agricultural Representative and one other to be chosen by these two. The scholarship is made available by a grant from the County Council which is duplicated by the Massey Fund and amounts in all to \$100.00.

Any prospective candidate should immediately write or telephone the Secretary of the committee for further information. Applications must tess House is situated at the right of the Jarvis Airport Bar-rier. It provides 'A Home A-way from Home' for wives, fam-

ther information. Applications must be in not later than September 6th. MAYBE YOU'LL HAVE made at the College will be of great TO WALK

made at the College will be of great assistance to them later on whether they enlist or are called for service later on. Again when the war is over and they return they will find the college connections will mean much to them. It will be easy to get back into the work and finish their courses.

The problem of room and board is being worked out in connection with homes near the campus and homes and the Y.M.C.A. in the city. It is expected that ample accommodation will be available.

TO WALK

Considering the discomforting prospects of gasoline rationing that might make enforced pedestrians of motorists, an authoritative article by the noted podiatrist, Harold Kahn, in The American Weekly Magazine with the August 31 issue of The Detroit Sunday Times, is particularly about conditioning our pampered feet for the emergency. Be sure to get The Detroit Sunday Times this week and every week.
