Here in Ottawa as in London, the thoughts and hopes of everybody are centred on Washington, on the extent of the aid which the United States will give to Britain. The growing sympathy of the people of the United States in Britain's heroic defence of the citadels of freedom was voiced clearly by President Roosevelt in his broadcast. There has been a wave of public approval of this speech in the United States from both Dominion and provinces.

HOW? WHEN? WHERE? WHO? HOW MUCH?

THIS YEAR, almost every man and woman in Canada will share the burden of paying for the war. A million new taxpayers will pay who never paid before. A personal budget payment plan is available to old taxpayers who are faced with substantially increased income taxes.

Canadians are asked to shoulder their share of the war effort cheerfully and willingly. By paying your income tax regularly you help to speed the production of war material, and bring the day of victory closer. Figure out how much tax you will have to pay, and arrange to pay promptly

WHO PAYS INCOME TAX?

If you are a single person without dependents, and your income in 1940 was more than \$750.00 you pay general-income-tax. If you are a married person without dependents, and your income in 1940 was more than \$1500.00 you pay general-income-tax. If you are a married person with children, you

If you are a married person with children, you are allowed \$400.00 exemption for each dependent child or grandchild, in addition to the \$1500.00 exemption.

goes over \$1,200.

1. The Present Method: At least one-third of the tax to be paid by April 30th, the balance, with interest at 5% from April 30th, to

31st, the interest rate will be 8%.

2. The Proposed Method: In 8 monthly instalments without interest. To take advantage of this new way of paying, the first instalment must be paid on or before January 31st. You must pay at least one-third of the estimated iax in four equal monthly instalments, in January, February, March and April, i.e. 1-12 of the estimated tax in each of the said 4 months. The remaining two-thirds must be paid in four equal monthly instalments in May, June, July and August, i.e. 1-5th of the estimated tax in each of the said 4 months. (This will be in the amended law.)

3. The Recommended Method:

the law but it is a simple method, namely, in eight equal monthly instalments, without interest, commencing in January.

To take advantage of the monthly payment plan without interest each payment must be made on or before the due dates. Otherwise interest will be charged on the total balance remaining unpaid after April 30th. District, and their use will ensure accurate and proper allocation of your payment. However, you can send in your instalments by ordinary letter with your name and address plainly stated thereon, clearly indicating the division between Provincial and Dominion Tax payments.

EXAMPLE OF INSTALMENT PAYING WITHOUT INTEREST If your estimated tax is \$60.00 you pay one-third of the tax (\$20.00) in four instalments (\$5.00 each) and the remaining two-thirds (\$40.00) in four instalments (\$10.00 each). Your payments are therefore as follows:

Instalment Income Tax Remittance Forms are

Rates of General-Income-Tax which Individuals Must Pay Your net taxable income is the amount left after you deduct exemptions from your total income.

Also there is National Defence Tax and in some Provinces, Income Tax.

For a married person 2% on the total income if the income exceeds \$1,200 with a tax credit of \$8.00 for each dependent child or grand-child. For 1940 the tax is on one-half of the income and the tax credit is \$4.00.

The general-income-tax is payable on your net income less exemptions.

If you are single, your exemption is \$750.00. Thus if your total income is \$1,000.00 you must pay tax on \$250.00.

The exemption for a married person is \$1,500.00 plus \$400.00 for each dependent child or grandchild. Thus if you are a married man with two children and a total income of \$2,500.00 your total exemptions are \$1,500.00 plus \$400.00 for each child, or \$2,300.00 in all. So you pay tax on \$300.00.

Pavment: You may send a cheque, Post Office

Payment: You may send a cheque, Post Office or Money Order in payment of income tax by mail, to the Inspector of Income Tax for the District in which you reside, made payable to the Receiver General of Canada. Write plainly, and give over the control of Canada. Write plainly,

and give your name in full, so that mistakes in crediting may be avoided. Do not send money or postage stamps in envelopes.
