.....the last of the appeasers

by Judith Robinson

Claims Farmers Short of Help

With farm helpers few and far between, Ontario farmers are in desperate need of immediate aid to salvage the hay crop, states A. MacLaren, Director, Farm Service Force, Ontario Department of Labour.

Confession is the easier to make since the New Republic also made a mistake in the past. The editor of the New Republic referred to Mr. Stalin of Russia as "the last of the appeasers" because two alone still held Chamberlain, Daladier, Baldwin of Belgium, Cialinescu of Roumania, de Geer of Holland, Cvetkovitch of Yugoslavia, van Zeeland of Belgium; they did it too. They all misled their people in the market of Adolf Hitler; and some are dead now and some are living and nobody knows or cares which is which.

Meetings of Boys' Clubs

During the past few days four boys' club meetings were held in the county.

HOLSTEIN CLUB

The members of the Holstein Club met at the farm of Messrs. Warren Banfield & Sons near Nanticoke. A class of cows was judged with the official placing being made by Mr. Harry J. Anderson, President of the Halldam District Holstein Club.

KIRKPATRICK - To Mr. and Mrs. Donald H. Kirkpatrick of Hamilton, at the Mount Hamilton Hospital, on Monday, July 21st, 1941, a son.

SWINE CLUB

The second regular meeting of the Swine Club was held at the farm of Clarence Harvey. Two classes of sows were judged with the official placing being given by Mr. Harry Seymour, Live Stock Products Grader at Hagersville.

THE FUNCTIONS OF AN EDITOR

The title "editor" is sometimes misunderstood by newspaper readers, not because they want to misunderstand, but because they have never been told just what the functions are of the person who holds this title.
