in Council has now made liable for military training for the defence of Canada --all male British subjects resident in Canada at any time since September 1st, 1939, who, on July 15th, 1940, were unmarried, or childless widowers, and who on July 1st, 1940, had reached the ages of Twenty-three years Twenty-one years

FOR Public Safety, by Proclamation, dated June 27th, 1941 (under authority of The National Resources Mobilization Act 1940 and The War Measures Act), The Governor

Twenty-four years "and also men who attained or will attain the age of twenty-one years on or after the first day of July, 1940, and who were on the fifteenth day of July (1940), unmarried or widowers without child or children."

IMPORTANT NOTICE

to Men Liable for

**Military Training** 

Men designated in the aforegoing are further required

"To submit themselves for medical examination and to undergo military training for a period of four months within Canada or the territorial waters thereof, and to report at such places and times and in such manner and to such authorities or persons as may be notified to them respectively by a Divisional Registrar of an Abainistrating Division."

### SPECIAL PROVISIONS

designed to facilitate equitable conditions of mobilization

Deferring of Training Periods to Avoid Individual Hardship If the Board is satisfied that the calling out of any man for military training will cause extreme hardship to those dependent upon such man, the Board may, from time to time, postpone the training period of the man: Provided that such man shall apply for a postponement order in accordance with the provisions of subsection one of section ten of the

Postponement Applications Must be Made in Writing No application for a postponement order may be made otherwise than in writing, by the man called out, to the Divisional Registrar who issued the "Notice-Medical Examination" and within eight clear days of the date appearing on such notice. Any person who appears before a Board shall do so at his own expense

War Industry and Seasonal Occupations given Consideration In the national interest, applications for postponement of training of key men engaged in war industries, or in essential occupations, may be addressed to the Divisional Registrar

Eligible Men Must Not Leave Canada without Authority No male British subject who is liable to be called out for military training shall, after his age class has been called out by proclamation, leave Canada, for any reason whatsoever, unless and until he has been so authorized in writing by the Chairman of the Board to whose juris-

EVANS—JACKSON

The Evans and Jackson families gathered at Woodlawn Park on Thursday, July 10th, 1941. for their 24th Annual Reunion Picnic. Dinner was served to about One Hundred and Twenty-five members after which the dinner prize draw took place. Melvin Lymburner held the lucky number. The following officers were elected for 1942: President. Frank Booth; Vice President, Gordon Jackson; Secretary Treasurer. Mrs. Courtland Evans. Prizes for the oldest lady and gentleman present were won by Mrs. Will Evans of Nanticoke and Mr. James Jackson, of Toronto. The youngest child was Francis Hedges, ten months old son of Mr. and Mrs. George Hedges, of Nanticoke. Miss Muriel Baldwin, of Hollywood, California, won the prize for attendance from the longest distance. The afternoon was spent in a ball game and other sports which were enjoyed by young and old.

Mrs. Fleck, only son of Charles and Mrs. Fleck, Detroit. The bride was charming in a navy sheer gown with white trim and a corsage of Sunset of Coat, large white hat and matching accessories. After a honeymon through Ohio, Mr. and Mrs. Fleck was a grand daughter of the late Mr. and Mrs. John Peppler and (continued on page eight)

Work-Money Make Jams and Jellies with CERTO Results are SURE!

SUCH A SHORT BOIL i-With Certo you need give only a one-minute to two-minute full, rolling boil for jam-for jelly enly a half-minute to a minute. ECONOMICAL, TOO!—In this short boil very little juice can boil away. You average one half more jam or jelly from an equal amount of fruit.

NATURAL TASTE AND COLOUR—Instead of going off in steam, all the fresh, natural flavour stays right in the fruit. The colour, too, is never darkened or spoiled. NO UNCERTAINTY—There's no guesswork with Certo. Follow exactly the Certo recipe for the particular fruit you are using and you'll have firm, luscious jams

"CALLING ALL CARS"

Save Gasoline A NATIONAL EMERGENCY

Canada is right up against an acute shortage of gasoline and fuel oil. Tankers that normally supply our country have been commandeered for vitally important overseas service.

The Commonwealth Air Training Plan, the rapid development of Canada's mechanized army units and the great work carried on by our corvettes make the demand for fuel urgent.

GASOLINE

Reduce driving speed from 60 to 40 on the open road

Avoid jack-rabbit starts.

Avoid useless or non-essential driving.

Turn motor off when not in use, do not leave idling.

Don't race your engine; let it warm up slowly.

Don't strain your engine; change gears.
Keep carburetor cleaned and properly adjusted.

Keep carbureto tecture to the control of the contro

bricate efficiently; worn engines waste gasol Drive in groups to and from work, using

For golf, picnics and other outings, use one car instead of four.

Take those short shopping trips ON FOOT and carry parcels home.

Walk to and from the movies.

Your regular service station man will gladly explain these and other ways of saving gasoline. Consult him.

Our crude oil intake is limited. There is just one thing tank". Every Canadian motorist is asked to cut his

daily gas consumption in half! 17 leasy ways towards a

which this 50% saving can be made ... ways and means to give you more mileage per gallon. You can drive slower so that you will use less gasoline. You can go fifty-fifty with your neighbours, inviting each other to share cars . . . for business, and for pleasure. People can readily go to and from work together, using one car instead of four . . . using one gallon of gasoline instead of several. Women as well as men can

There are many ways by

The amount of gasoline used in Canada for business. social and non-essential activities is amazingly high in proportion to that used by our fighting forces. One look at the figures would convince you that this situation must be reversed.
