Judith Robinson, who most readers are aware, is a feature newspaper writer, with a style all her own. Its original, and sufficiently sharp at times to draw on the emotions of the average reader. Some have been inclined to regard her writings as anti-British, and would ban her writings, as Controller Fred Hamilton of the City of Toronto would ban Lindbergh's books. It all may lie in the interpretation one may take of true patriotism. We believe such bans would be removing one more spike from **Proper Sorting** removing one more spike from
