### WITH THE BOYS **OVERSEAS**

Dear Friends:

I wish to thank you all again for the cigarettes which I certainly did appreciate. I believe that I have lost only two parcels of them since you started sending them and that is a very good average. It is almost like summer now with warm days and chilly nights but it won't be long before the fog starts rolling in and winter comes up on us.

Once again, thanks for everything.

Dear Friends:
Cigarettes becoming more precious every day. On a recent
manoeuvre which took the entire manoeuvre which took the entire division to another part of England, it was impossible to purchase cigarettes. You will have no difficulty in imagining how delighted the boys were when I produced cigarettes provided by the people of Jarvis and district.

Yours sincerely,

Capt. S. B. EAST

Dear Friends:

Many thanks for the carton of cigarettes I have just received.

They sure arrived at the right moment, for I was clean out.

I rather expected that, as more the cigar-I rather expected that, as more chaps got over here, the cigarettes would arrive less frequent, but so far, apparently not, so people of Jarvis and vicinity, "Thanks a million."
