For Ontario Dogs

Owners of gun dogs who show field promise will have an opportunity to get an independent ap-praisal of their performance at the annual Fall Field Trial of the Ontario Bird Dog Association to be held at Niagara-on-the-Lake on Saturday and Sunday, October 18th and 19th. Novice classes are scheduled to be run on Saturday morning for Setters and Pointers and also for Spaniels. In past years these novice trials have

brought out some excellent "dark horse" performers.

The programme for Saturday, October 18th, includes three trials for Setters and Pointers and three trials for working spaniels. The trials for Setters and Pointers include a Shooting Dog Stake, a Novice Stake and an Open Derby, and or spaniels a Puppy stake, for puppies under two years, a Novice Stake and an Open All Age Stake. Setters and Pointers will con-tend on October 19th, in an Open

All Age Stake and later in the Ontario Championship Stake, restrictd to Ontario-owned dogs. The open stakes will, as usual, have entries from the United States. Entry forms may be obtained from George W. Boag, Woodstock, Ont., secretary of the Association. It is hoped, Mr. Boag says, that

owners of untried dogs will be well represented in the novice events. The novice trials are restricted t novice dogs and novice handlers and it is these trials which pro mote the work of the association in fostering interest in gun dogs and their training for field work. Headquarters for the trials will e at the Prince of Wales Hotel, Niagara-on-the-Lake and roads sur rounding the town will be marked to enable spectators to locate the trial courses with ease.
