A Weekly Review Of National Affairs

Ottawa, October 28 - The great experiment of a blanket price control of commodities and wages is still in the course of the battle of Monocopy, the main subject of interest and discussion in the capital.

The road has been considerably improved by the erection of two concrete bridges under the direction of the Road Superintendent, Mr. Wm. Myerwood.

The bride and groom left by motor for Toronto and Montreal. The bride chose for travelling, a tailored suit matching her dress, a matching hat with fur trim, also worn on the day of the wedding.
