Saving Stamp Song For School Children

GCHOOL children throughout Canada are playing a splendid role in
the purchase of War Savings Stamps
and Certificates. In appreciation of
this fact, and in order to further the
good work, John Murray Gibbon,
general publicity agent, Canadian
Pacific Railway, noted Canadian
author and poet, has written new and
stirring words to that grand old tune,
"Tramp, tramp, tramp, the boys are
marching." The new song, which is
now a school favorite, is: "Stamp,
stamp, stamps that we are buying."
The words in full follow.

In the schoolroom as I sit.

In the schoolroom as I sit, Thinking, soldier brave, of you, And the thunder of the guns across How I want to do my bit
When my lessons all are through,
And to help you fight to keep our
country free!

CHORUS CHORUS
Stamp, stamp, stamps that we are buying
Fill up folders one by one.
Soon we'll have enough to get
Bomb or tank or trim corvette,
And our savings will put Hiller on the

In the battlefront you stand Where the deadly bombers dive, And you need a Bren or anti-aircraft gun.
So te help you we have planned
With our stamps to make a drive,
And we'll raise a hundred million ere
we're done!
CKORUS

So I think up some old chore
As within the school I sit,
And I know I'll never let a chance

That will earn a quarter more
And will help me do my bit
With the Savings Stamps that boys
and girls may buy.
CHORUS

and child in the country. Even with the highest income tax in history, 52% only of the money Canada needs will be raised by taxation. The rest will have to be borrowed by means of War Savings Stamps, Certificates and Victory

Starting with the first pay period in September representing September earnings only, your employer is required by law to deduct your income tax from your wages or salary, and send it promptly to the Government. Everybody will pay his share as he goes along.

> It's going to be tough . . . but not too tough! Here are some good features:

payment next year.

2. The National Defence Tax already deducted during the first 8 months of this year has been taken into account in the Table of 3. Though the income tax rates show a sharp increase over last year, a large portion of this increase is actually savings, to be paid back to you with interest after the war. 4. The money you are paying for life insur-

ance premiums, annuities, principal repayments on your home, or into a pension fund may be deducted (up to a certain maximum) from the savings portion of your income tax. In many cases this may be sufficient to make payment of the savings portion of the tax

Forms TD-1 may be secured from your employer, Post Unless you are single, without dependents, and not making payments of the Offices, or local Income Tax types mentioned in paragraph 4 above, you should file Form TD-1 with your employer. Otherwise, you may not be allowed the credits to which you are entitled. DO NOT DELAY. File Form TD-1 with your employer at once so that you may get the full allowances from the start.
